CLEANSERS & TONERS					
Exfoliating Enzyme Wash		This non-abrasive anti-aging enzyme cleanser washes away impurities while exfoliating dead skin cells. This sulfate-free formula is very effective at preparing aging skin for light therapy and other clinical treatments.	• Pineapple & Papaya Enzyme • Avocado Oil • D-Panthenol (Vitamin B5) • Hyaluronic Acid	6oz. 16oz.	39.00 N/A
Calming Cucumber Mist		This vitamin rich mist contains anti-inflammatory and healing ingredients that fights damage caused by over drying and the environment. In a clinical setting, it is administered during post procedural care.	• Aloe Vera • Witch Hazel • Tocopherol (Vitamin E) • D-Panthenol (Vitamin B5)	6oz.	37.00
Corrective Wash		This sulfate-free corrective cleanser helps to restore healthy cell turnover and control the acne “P” bacteria by removing surface oil, bacteria and debris without stripping the skin of its natural oils. This cleanser is excellent for acne-prone skin.	• Cranberry • Wasabi • Lactic Acid • Rosemary Extract	4oz. 16oz.	29.00 N/A
Corrective Mist		This efficient blemish spray hydrates and soothes as it alleviates congested skin and reduces inflammation. In a clinical setting, it is administered during post procedural care. It is excellent for controlling oily, shiny skin concerns.	• Niacinamide (B3) • Sodium PCA • Aloe Vera • Wasabi	4oz.	33.00
PROTECT, REPAIR & CORRECT PRODUCTS					
Hydrating Recovery Gel		This anti-inflammatory gel simulates skin regeneration while effectively neutralizing free radical damage. Its powerful ingredients help to decrease healing time and increase the overall quality of the skin following LED and ablative procedures.	• Green Tea • Hyaluronic Acid • Sepitonic M3 • Aloe Vera	1.7oz. 8oz.	64.00 N/A
Intense Antioxidant		This daytime antioxidant contains key anti-aging ingredients that work together to slow-down the aging process. Due to its acute anti-inflammatory properties, it is often used after LIGHTWAVE, IPL and photo-facial to quickly reduce erythema.	• Astaxanthin • Caviar Extract- includes A, D, E, B1, B2, B6 • Retinyl Palmitate • Palmitoyl Pentapeptide-4	1oz. 8oz.	94.00 N/A
Hyaluronic Peptide Serum		This product is for post laser care, post peel care, sun burns, and scar reduction. Its moisture retention benefits dramatically boost the skin’s hydration levels to reduce dryness, itching and burning while firming and restoring elasticity.	• Medical Grade Hyaluronic Acid • Argireline® - When used daily, this peptide restricts muscle contractions leaving the skin feeling instantly firmer.	1oz. 4oz.	92.00 N/A
Clinical Eye Repair		This intensely rich cream utilizes the proven power of Eyeliss® and Haloxyl® peptides to refresh tired eyes. These peptides have clinically shown to diminish dark circles, redness, signs of puffiness, and fine lines and wrinkles.	• Haloxyl® • Eyeliss® • Ribes Nigrum (black Currant) • Jojoba Seed Oil	.5oz.	53.00
Pro-Collagen Boosting Serum		The small peptides in this age-defying formulation have the ability to penetrate into the lower layers of the tissue to help reduce the appearance of fine lines and wrinkles, enhance elasticity, and provide optimal hydration for a firmer, youthful complexion.	• Syn-Coll (Palmitoyl Tripeptide-5) • TEGO® Pep 4-17 (Tetrapeptide-21) • Copper Tripeptide-1 • Sepitonic® M3 • Hyaluronic Acid	1oz.	80.00

PROTECT, REPAIR & CORRECT PRODUCTS					
Advanced Brightening Complex		This super charged hydroquinone-free lightning lotion combines the proven power of arbutin, kojic acid, resveratrol, vitamin C, bearberry and alpaflor to safely and effectively brighten the complex and inhibit future pigmentation.	• Alpaflor® Gigawhite • Alpha-Arbutin • Kojic Acid • Resveratrol	.5oz.	39.00
Skin Perfecting Retinol Serum		This lightweight serum contains a restorative blend of key ingredients including marshmallow extract, witch hazel and DMAE. These key ingredients work to help reverse the signs of aging and visibly restore a youthful appearance.	• Encapsulated Retinol • Panax Ginseng • Hyaluronic Acid • Gluconolactone	.5oz.	57.00
EGF Rapid Repair Serum		This serum combines anti-aging peptides with an epidermal growth factor and hyaluronic acid. This blend of powerful ingredients reduces redness, boosts the synthesis of Collagen I, III and IV and protects against glycation.	• Epidermal Growth Factor • Syn®- Coll • Matrixyl 3000 • Bovine Colostrum	.5oz.	80.00
Resveratrol Illuminating Serum		This time-release serum delivers powerful polyphenols to the lower layers of skin to protect against cellular aging. This power-house antioxidant hydrates, lightens, brightens and protects for a more radiant, lasting luminous complexion.	• SalSphere® Encapsulated Resveratrol • Procyanidin (B2) • Niacinamide (B3) • Hyaluronic Acid	.5oz.	80.00
Firming Peptide Crème		This product boosts the synthesis of Collagen I, III, and IV. This concentrate also contains antioxidants, vitamins and soothing natural hydrators, designed to nourish and protect the cells, leaving the skin firmer and tighter.	• Matrixyl™ 3000 • Hyaluronic Acid • Alpha Lipoic Acid • Retinol	1oz. 4oz.	86.00 N/A
Platinum C Pro-Collagen Kit		This Vitamin C system combines highly active L-ascorbic acid fresh powder spheres with a concentrated formulation of glutathione, sepitonic M3, colostrum, and hyaluronic acid at the time of application, for maximum skin changing results.	• 80% L-Ascorbic Acid (Vitamin C) • Sepitonic® M3 • Bovine Colostrum • Glutathione	6 vials & spheres 24-day tx	130.00
Post Treatment Balm		This salve reduces redness, inflammation, and promotes healing following aggressive resurfacing procedures such as CO2 laser, deep chemical peel or dermabrasion. This fragrance-free occlusive does not contain mineral oil or petrolatum.	• Ubiquinone (CoQ10) • Copper Tripeptide-1 • Ricinus Communis (Castor) Seed Oil • Butyrospermum Parkil (Shea Butter)	2oz.	36.00
Corrective Pads with Glycolic Acid		These pads gently resurface and alleviate congested skin by removing excess sebum. This unique formula of glycolic acid, combined with willow bark, gently exfoliates dead skin, keeping the skin feeling smooth and providing a more even skin tone.	• 7% Glycolic Acid • Willow Bark Extract • Green Tea • Aloe Vera	60 pads	43.00
Extra Strength Corrective Pads with Salicylic Acid		These extra strength pads are used to naturally exfoliate dead skin cells and unclog congested pores. This formula utilizes powerful acne fighting ingredients such as salicylic acid and glycolic acid to rid the skin of unsightly blemishes.	• 2% Salicylic Acid • 8% Glycolic Acid • Hyaluronic Acid • Glycosaminoglycans (GAGs)	60 pads	45.00
Corrective Treatment Gel		This powerful gel minimizes scarring, accelerates healing, and helps to control acne “P” bacteria. Salicylic acid works synergistically with niacinamide and wasabi to reduce excess oil while providing powerful anti-bacterial action.	• 2% Salicylic Acid • Wasabi • Niacinamide (B3) • Hyaluronic Acid	2oz.	46.00
