Sample Press Release

FOR IMMEDIATE RELEASE

(Practice name) IS THE FIRST IN (County or State name) to introduce the new FDA cleared LIGHTWAVE Professional LED Light Therapy System.

The new state-of-the-art LIGHTWAVE System provides gentle, completely painless, safe and effective treatments reducing the appearance of fine lines and wrinkles, scars and blemishes, cellulite, skin damage, and more.

(Physician Name) (Affiliation with center) of (Practice name) commented, (Personal quote from physician)

-OR-

Our LIGHTWAVE Light Therapy System is a wonderful anti-aging or acne procedure which can be administered as a stand alone treatment or can be combined with other aesthetic procedures such as microdermabrasion or chemical peels. Simply put, LIGHTWAVE is facial rejuvenation one cell at a time. Our LIGHTWAVE System achieves results without heat, thermal damage, or recovery time and is completely pain-free.

(Insert a short background paragraph providing statistics and history of your practice).
