CRANBERRY ANTIOXIDANT SCRUB

pH	5.5
SKIN TYPES	Appropriate for all skin types.
DESCRIPTION	ABI's gentle cranberry scrub harnesses the power of both fruit enzymes and jojoba beads to digest dead skin cells, decongest pores and physically exfoliate dry, damaged skin. Its polishing effect stimulates cell turnover and helps reduce uneven skin texture and redness for a healthy glow.
BENEFITS	• Revitalizes dull, dingy skin and reduce uneven skin texture. • Decongests pores and increases exfoliation. • Helps eliminate free radicals to protect against cellular damage and prematurely aging. • Provides necessary nutrients to help reduce inflammation and strengthen and rebuild skin structure. • Stimulate collagen production and increases skin elasticity.
	Professional Use- ABI's Cranberry Antioxidant Scrub is excellent for properly preparing the skin for professional treatments including a LIGHTWAVE LED treatment. Please see protocol. This product should be used after cleansing the skin and prior to applying any other skin care products so that the other skin care products can penetrate better. Apply small amount to a clean dry face with hands or facial brush. Work the scrub in a circular motion. Massage approximately 2-3 times. Clean with a warm washcloth until removed. Rinse thoroughly with cool water (if treating sensitive skin, use a small amount of water or cleanser to soften the crystals in the scrub prior to massaging the face.) Use twice a week or as needed.
POWER PURE™ INGREDIENTS	**Cranberry Fruit-** is high in vitamin c, magananese, vitamin K and antioxidants. It contains phytonutrients such as phenolic acid, antocyanins, proanthocanidins, triterpenoids, tocotrienols and flavonoids. **Blueberry Fruit-** is a natural antioxidant and contain tocopherols and carotenoids. They are full of alpha linolenic acid, vitamins, antioxidants and essential omega 3 fatty acids. **Tocopherol (Vitamin E) -** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and provides natural protection from damage caused by the sun.
ACTIVE INGREDIENTS	**Aloe Vera-** Aids in calming and soothing dry, irritated skin. It is a powerful moisturizer with antibiotic and wound healing abilities. It is a natural oxygenator (drawing and holding oxygen to the skin) and is one of the most effective cellular renewal ingredients available. **L-Arginine-** is a semi-essential amino acid and antioxidant that decreases inflammation, improves skin texture, stimulates collagen production and increases hydration. **Pomegranate Fruit-** Rich in vital antioxidants that have been shown to restore important cellular activity. **Pennywort/Gotu Kola-** Calms inflammation, speed wound healing, stimulate new cell growth, builds collagen, and improves circulation. It is rich in amino acids, beta carotene and fatty acids. **Horsetail Extract-** provides anti-inflammatory and antioxidant benefits. Reduces skin irritation and is antibacterial. Horsetail extract helps strengthen skin and calm redness.
COMPLETE INGREDIENT LISTING	Purified Water, Aloe Leaf Juice Powder, Olea Europaea (Olive) Fruit Oil, Jojoba Beads, Jojoba Esters, Cranberry Fruit, L-Arginine, Vitamin E, Blueberry Fruit, Pomegranate Fruit, Citrus Aurantium (Petitgrain) Oil, Centella (Pennywort/Gotu Kola), Horsetail Extract, Hibiscus Petal Powder, Rhubarb, Wild Geranium, Citrus Reticulata (Tangerine), Dandelion Extract, Glycerin, Phenoxyethanol, Carbomer.
