STRAWBERRIES & CREAM MICRO PEEL

pH	3.5
SKIN TYPES	Appropriate for normal to oily skin, including mature. Not recommended for sensitive skin.
DESCRIPTION	ABI's Strawberries and Cream Micro Peel provides all the benefits of a light peel without any dryness or downtime. This antioxidant-rich micro peel is perfect for dull, environmentally damaged, congested and oily skin. The power of natural salicylic acid from strawberries combined with glycolic acid from Rhubarb Root make it ideal for reducing surface build-up, decongesting clogged pores and stimulating collagen production resulting in radiant, healthy beautiful skin.
BENEFITS	• Increases cell turnover to improve tone and texture. • High nutrient infusion to reduce skin damage. • Stimulates collagen production. • Gently and effectively remove impurities, excess oil and dead skin. • Helps reduce the appearance of blemishes. • Brightens skin, reduces the appearance of pores size.
DIRECTIONS	Professional Use- This micro peel can be used full strength or can be diluted with water for sensitive skin. Using a mask brush or finger tips, apply an even layer of Strawberries and Cream Micro Peel to cleansed skin, avoiding eye area or open cuts. This micro-peel can be used with our without steam. Steam will intensify the activity of the peel. The client generally feels mild warmth from the activity of the acids. Leave on for no more than 10 minutes and then thoroughly rinse with luke warm water. The peel is self-neutralizing and will cause temporary mild erythema. Do not use on the same client more than once a week. Do not get in eyes; discontinue use and rinse immediately if irritation, intense redness or burning occurs.
POWER PURE™ INGREDIENTS	Strawberry- has natural antioxidant properties, is slightly astringent, rich in flavonoids and salicylic acid to dissolve and soften dry skin gently exfoliate, remove impurities and brighten skin's appearance. Rhubarb Root- a good source of ascorbic acid and vitamins to protect barrier lipids, increase hydration, and improve barrier function to prevent premature aging.
ACTIVE INGREDIENTS	Rosehip Fruit Extract- Is rich in essential fatty acids, vitamins and minerals. It has natural anti-oxidant properties and is slightly astringent. It has been shown to help improve skin elasticity, regenerate skin cells, slow down premature aging, and reduce the formation of wrinkles. CoQ10 (Ubiquinone)- is a powerful cellular energizer that helps protect the skin from lipid peroxidation. It stimulates healthy collagen production and improves overall skin tone. Alpha Lipoic Acid – Effective antioxidant that renews other vital antioxidants such as vitamin C and E while also promoting collagen production and providing anti-inflammatory results. Green Tea- Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage within the skin. It contains powerful promotes skin regeneration and wound healing. It is also an astringent that naturally reduces pore size. D-Panthenol (Vitamin B5) - Penetrates quickly providing assistance in tissue repair. It works as an anti-inflammatory agent and helps to minimizes sun damage. Tocopherol (Vitamin E) - Is known as an antioxidant "superstar" due to its incredible healing and repairing properties. It provides natural protection from damage caused by the sun. Vitamin C- stimulates collagen synthesis and improve skin tone and texture, reduce brown spots, and decrease the appearance of fine lines and wrinkles. Astaxanthin - Anti-inflammatory antioxidant, derived from the carotenoid family. Studies show that it has strong antioxidant activity (10 times higher than beta-carotene), and can be more than 100 times more effective as an antioxidant than Vitamin E. Palmitoyl Pentapeptide-4 – A lipophilic peptide that counteracts lines and wrinkles. Proven to simulate collagen synthesis, improve moisture retention and smoothes the skin. Ascorbyl Palmitate – Non-acidic, stable Vitamin C, but without the irritation of L-ascorbic acid. Significantly reduces erythema or redness. Retinyl Palmitate– A natural anti-aging ingredient responsible for anti-keratinization, improves skin's elasticity, assists in the normalization of dry skin and improves photo damage.

COMPLETE INGREDIENT LISTING	Purified Water, Fragaria (Strawberry) Juice, Rheum Rhaponticum (Rhubarb Root), Camellia Sinensis (Green Tea) Leaf Extract, Rosa Mosqueta (Rose Hip) Fruit Extract, Panthenol (Vitamin B5), pyridoxine (vitamin B6), coenzyme Q10, alpha lipoic acid, thiamine (vitamin B1), riboflavin (vitamin B2), vitamin C, Tocopherol (Vitamin E), Cobalamin (Vitamin B12), Astaxanthin, Palmitoyl Pentapeptide-4, Palmitoyl Oligopeptide, Glycerine Soja (Soybean) Oil, Petroselinum Crispum (Parsley) Extract, Symphytum Sfficinale (Comfrey) Extract, Arctium Lappa (Burdock) Root Extract, Tellaria media (chickweed) extract, echinacea purpurea (Echinacea) extract, zingiber officinale (ginger) extract, trifolium pretense (red clover) extract, Aloe Barbadensis (Organic) Leaf Juice Powder, Allantoin, Retinyl Palmitate (Vit A), Vitis Vinifera (Grape) Seed Extract, Papain, Algae Extract, Ascorbyl Palmitate, Glycerin, Carbomer, xanthan gum, Polysorbate 20, Phenoxyethanol, Potassium Sorbate, Caprylyl Glycol.
CAUTIONS	It is recommended you perform a small patch test with ABI's Strawberries and Cream Micro Peel to determine client sensitivity. Most clients will feel a slight tightening effect but will not feel any sensitivity. However, ABI's Strawberries and Cream Micro Peel can be highly reactive on sensitive skin and can cause the skin to become flushed and red. If your client is sensitive and any flushing or redness occurs, please note it generally subsides within 30-45 minutes after removal of the peel. Do not get in eyes; discontinue use and rinse immediately if irritation or burning occurs.
AVAILABLE SIZES	Professional: 8 oz.
