GREEN APPLE MICRO PEEL

pH	3.5
SKIN TYPES	Appropriate for normal to oily and acneic skin, including mature. Not recommended for sensitive skin.
DESCRIPTION	ABI's Green Apple Micro Peel combines the exfoliating benefits of gentle fruit acids with powerful enzymes and antioxidants. This unique combination targets, corrects and prevents common skin imperfections such as fine lines and wrinkles, uneven skin tone and texture, environmental damage and congested and oily skin. This effective micro peel works just like a light peel to reveal fresh new skin without any dryness or downtime commonly associated with peels. A potent combination of vitamins and minerals immediately feeds and nourishes to help restore skin's radiant, youthful glow.
BENEFITS	• Brightens and lightens uneven skin tone. • Improves uneven skin texture. • Protect against oxidative stress. • High nutrient infusion to reduce skin damage. • Balances oil production and reduces blemishes. • Stimulates collagen and elasticity. • Restores barrier function.
DIRECTIONS	Professional Use- This micro peel can be used full strength or can be diluted with water for extremely sensitive skin. Using a mask brush or finger tips, apply an even layer of Green Apple Micro Peel to cleansed skin, avoiding eye area or open cuts. This micro-peel can be used with or without steam. Steam will intensify the activity of the peel. The client generally feels mild warmth from the activity of the acids and enzymes. Leave on for no more than 10 minutes and then thoroughly rinse with luke warm water. The peel is self-neutralizing and will cause temporary mild erythema. Do not use on the same client more than once a week. Do not get in eyes; discontinue use and rinse immediately if irritation, intense redness or burning occurs.
ACTIVE INGREDIENTS	Green Apple- has natural antioxidant properties, is slightly astringent, rich in flavonoids and salicylic acid to dissolve and soften dry skin, gently exfoliate, remove impurities and brighten skin's appearance. Green Tea- is a potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage within the skin. It promotes skin regeneration and wound healing. Salicylic Acid- is a beta hydroxy acid used to increase cell turnover and gently exfoliate discolored skin. Aloe Vera- Aids in calming and soothing dry and irritated skin. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). Papaya (papain) and Pineapple (bromelain) Enzymes- accelerate cellular renewal by digesting proteins within the layer of dead skin without irritating the healthy tissue. Raspberry- is a natural antioxidant rich in essential fatty acids, vitamins and minerals. It helps improve skin elasticity, regenerate skin cells, slow down premature aging. Blackberry-powerful antioxidant to help fight against free radical and sun damage. CoQ10 (Ubiquinone)- is a powerful cellular energizer that helps protect the skin from lipid peroxidation. It stimulates healthy collagen production and improves overall skin tone. Alpha Lipoic Acid – Potent antioxidant that negates free radical damage inside and outside the cell membrane. Has the unique ability to "renew" other vital antioxidants such as vitamin C and E while also promoting collagen production and providing anti-inflammatory results. Vitamin C-stimulates collagen synthesis and improve skin tone and texture, reduce brown spots, and decrease the appearance of fine lines and wrinkles. Hyaluronic Acid- Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. Sepitonic®M3- This multi-mineral chrono-energizing agent is made up of Magnesium, Zinc and Copper. These elements help to maintain skin function and stimulate cellular regeneration while enhancing and brightening skin tone, and restoring skin vitality. MegaVitamins- feed and nourish the skin to repair compromised skin barrier using B5, B6, B1, B2, B12, and Vitamin E.

COMPLETE INGREDIENT LISTING	Purified Water, Pyrus Malus (Apple) Juice, Salicylic Acid, Ananas Sativus (Pineapple) Fruit Extract, Carica Papaya Leaf Extract, Rubus Idaeus (Raspberry) Juice , Rubus Fructicosus (Blackberry) Juice, Camellia Sinensis (Green Tea) Leaf Extract, Aloe Barbadensis Leaf Extract, Ubiquinone, Thioctic Acid, Thiamine (Vitamin B1), Riboflavin (Vitamin B2), L-Ascorbic Acid, Tocopherol (Vitamin E), Cobalamin (Vitamin B12), Sodium Hyaluronate, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate, D-Pantenol, Pyridoxine (Vitamin B6), Hamamelis Virginiana (Witch Hazel), Xylitol , Inositol, Ascophyllum Nodosum (Seaweed) Extract, Dipotassium Glycyrrhizate, Sodium PCA, Cucumis Sativus (Cucumber) Juice, Echinacea Purpurea Extract, Petroselinum Crispum (Parsley) Extract, Azadirachta Indica (Neem) Seed Extract, Cymbopogon Flexuosus (Lemongrass) Extract, Ocimum Basilcum (Basil) Extract, Mentha Piperita (Peppermint) Leaf Extract, Honey, Steric Acid, Spirulina Maxima (Spirulina) Powder, Glycerin, Carbomer, Xanthan Gum, Phenoxyethanol, Potassium Sorbate, Caprylyl Glycol, Triethanolamine, Tetrasodium Glutamate Diacetate, Dimethyl MEA.
CAUTIONS	Do not get in eyes; discontinue use and rinse immediately if irritation or burning occurs.
AVAILABLE SIZES	Professional: 8 oz.
