ACTIVE INGREDIENTS	PhytoCellTec™ (Green Apple Stem Cells)- Helps to combat chronological aging, ensure longevity of cells, and preserve the youthful look and vitality of skin. Green Apple- has natural antioxidant properties, is slightly astringent, rich in flavonoids and salicylic acid to dissolve and soften dry skin, gently exfoliate, remove impurities and brighten skin's appearance. Aloe Vera- Aids in calming and soothing dry, irritated skin. It is a powerful moisturizer with antibiotic and wound healing abilities. It is a natural oxygenator (drawing and holding oxygen to the skin) and is one of the most effective cellular renewal ingredients available. Papaya (papain) and Pineapple (bromelain) Enzymes- accelerate cellular renewal by digesting proteins within the layer of dead skin without irritating the healthy tissue. Green Tea- Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage within the skin. It contains powerful promotes skin regeneration and wound healing. It is also an astringent that naturally reduces pore size. Hyaluronic Acid- Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. Sepitonic®M3- This multi-mineral chrono-energizing agent is made up of Magnesium, Zinc and Copper. These elements help to maintain skin function and stimulate cellular regeneration while enhancing and brightening skin tone, and restoring skin vitality. • Magnesium- encourages protein synthesis and phosphates transfer. • Copper- encourages synthesis of ATP, keratin and collagen. • Zinc- plays a role in the synthesis of DNA. It helps combat aging by stimulating reversal of the collagen matrix.
