PEPPERMINT COOLING MASK

pH	5.0
SKIN TYPES	Appropriate for all skin types.
DESCRIPTION	This soothing aloe based mask is so much more than just a hydrating and cooling mask used to plump up the skin. It is chalked full of amino acids and healing extracts to help heal and restore a smooth, radiant complexion. It has so many beneficial ingredients, it could easily be renamed the amino acid mask. Its soothing properties make it an excellent finishing mask for all skin types.
BENEFITS	• Helps to repair and strength damaged tissue. • Helps to repair and restore the NMF (Natural Moisture Factor). • Provides antioxidant protection. • Reduces redness and inflammation. • Stimulates the synthesis of collagen and elastin.
DIRECTIONS	Home Care- Apply an even layer to entire face and neck area. Allow to dry for 10-15 minutes depending on your skin sensitivity and thickness of the mask. Use a damp cloth or warm water to remove. It is gentle enough to be used daily on problematic skin. Professional Use- For complete professional directions and recommended use, please refer to masks and peels protocols. It is often used for post LIGHTWAVE LED care.
POWER PURE™ INGREDIENTS	L-Valine-Helps strengthen damaged tissue. L-Arginine and L-Threonine- Help to repair damaged tissue and increase collagen synthesis. Aspartic Acid and L-Alanine-are all amino acids that stimulate wound repair and provide antioxidant protection. L-Isoleucine-improves barrier function. Proline-improves hydration and provides antioxidant protection.
ACTIVE INGREDIENTS	Peppermint Leaf Extract- an antimicrobial and antibacterial agent that provides a cooling and soothing effect on the skin. Tocopherol (D-alpha) - Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and provides natural protection from damage caused by the sun. Aloe Vera- Aids in calming and soothing dry, irritated skin. It is a powerful moisturizer with antibiotic and wound healing abilities. It is a natural oxygenator (drawing and holding oxygen to the skin) and is one of the most effective cellular renewal ingredients available. **Senna Seed Extract-** Is anti-bacterial, anti-inflammatory and is used to treat skin infections like acne and eczema. It provides extended moisture and promotes cell regeneration. **Pennywort/Gotu Kola-** Calms inflammation, speed wound healing, stimulate new cell growth, builds collagen, and improves circulation. It is rich in amino acids, beta carotene and fatty acids.
