TRIPLE C PURIFYING MARINE MASK

pH	N/A
SKIN TYPES	Appropriate for all skin types including sensitive and acne prone.
DESCRIPTION	ABI's ultra-hydrating clay based mask is loaded with the power of three effective forms of vitamin C. This antioxidant rich mask helps to strengthen, balance, brighten and revive dull, dry, lifeless skin. Its collagen stimulating properties promote a plumping effect to help reduce fine lines and wrinkles and restore youthful radiant skin.
BENEFITS	• Stimulate collagen synthesis. • Improves firmness, tone and texture. • Lightens and brightens the skin. • Increases skin hydration and moisture retention. • Protects against free radical damage.
DIRECTIONS	**Professional Use-** Smooth a generous layer over cleansed skin, avoiding eye area or open cuts. Thoroughly rinse off after 15 minutes. The glycolic acid and fruit enzymes can cause light tingling to occur but should subside after a few minutes. Always test product on small area before use on entire face. Do not use more than once a week. Do not get in eyes; discontinue use and rinse immediately if irritation or burning occurs.
ACTIVE INGREDIENTS	**Kaolin Clay -** is natural mineral clay that is excellent at removing dead skin cells, detoxifying the skin and drawing out impurities. It also provides tightening and drawing effects that help to stimulate circulation thereby reducing skin inflammation. **Exchanger (Montmorillonite) –** An ultra-fine emulsion of Green Clay that penetrates the inner layers of the skin to effectively deliver naturally balanced minerals and trace minerals including copper, zinc, titanium, calcium and magnesium. The Exchanger helps to reduce pore size and prevent water loss and is used to decrease sebum production while maintaining skin hydration and moisture. **L-Ascorbic Acid-** is an active form of vitamin C shown to reduce the look of fine lines and wrinkles. This well-known antioxidant also helps to lighten and brighten the skin for an overall improvement of tone and radiance. **Magnesium Ascorbyl Phosphate-** is a stable, water soluble derivative of Vitamin C. This potent antioxidant protects the skin from oxidation including UV rays, improves skin elasticity by stimulating collagen production, inhibits skin cells to produce melanin, lightens and brightens the skin, and acts as an anti-inflammatory agent. **Ascorbyl Palmitate –** Non-acidic, stable Vitamin C, but without the irritation of L-ascorbic acid. Significantly reduces erythema or redness. **Willow Bark-** Provides natural beta hydroxy acid (BHA) activity and significant anti-inflammatory action that is excellent for dealing with acne and problematic skin. **Aloe Vera-** Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). **Tocopherol (Vitamin E) -** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and provides natural protection from damage caused by the sun.
COMPLETE INGREDIENT LISTING	Purified Water, Kaolin Clay, Aloe Barbadensis Leaf Juice, Sodium Magnesium Silicate, Magnesium Aluminum Silicate, Magnesium Ascorbyl Phosphate, Cocos Nucifera Oil, Glycerin, Stearic Acid, Ascorbyl Palmitate, Montmorillonite, L-Ascorbic Acid, Emulsifying Wax NF, Vaccinium Corymbosum (Blueberry) Fruit Extract, Rubus Idaeus (Raspberry) Fruit Extract, Vaccinium Macrocarpon (Cranberry) Fruit Extract, Salix Alba (White Willow) Bark Extract, Tocopherol, Phenoxyethanol, Rosa Canina Fruit Oil, Vitis Vinifera Seed Oil, Spirulina Maxima Extract, Macrocystis Pyrifera Extract, Azadirachta Indica Seed Oil, Rosmarinus Officinalis Leaf Extract, Citrus Reticulata (Tangerine) Oil, Citrus Sinensis (Sweet Orange) Oil, Ethylhexylglycerin, Cellulose Gum, Xanthan Gum, Tetrasodium EDTA.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	Professional: 8 oz.
