O2 OXYGEN FRUIT MASK

pH	4.0
SKIN TYPES	Appropriate for all skin types.
DESCRIPTION	Fruit acids and AHAs gently work together to dissolve keratin and eliminate dead, damaged cells instantly improving skin radiance and luminosity. Environmental factors and stress can cause to become dull and lifeless looking. This mask is designed to reduce oil and sebum production and energize fatigued skin leaving behind younger, smoother looking skin.
BENEFITS	• Hyper-oxygenates skin cells & increases ATP. • Energize fatigued skin due to stress and environmental factors. • Strengthens the skin barrier. • Protects against free radical damage. • Improves skin radiance and luminosity. • Gently exfoliates.
DIRECTIONS	**Professional Use-** Smooth a generous layer over cleansed skin, avoiding eye area or open cuts. Thoroughly rinse off after 15 minutes. The glycolic acid and fruit enzymes can cause light tingling to occur but should subside after a few minutes. Always test product on small area before use on entire face. Do not use more than once a week. Do not get in eyes; discontinue use and rinse immediately if irritation or burning occurs.
POWER PURE™ INGREDIENTS	**Kaolin Clay-** is a natural mineral clay that is excellent at removing dead skin cells, and drawing out impurities.. **Glycolic Acid-**is an effective alpha hydroxyl acid (AHA) that improves moisture and helps to increase cellular turnover, refine skin texture, and assist in skin lightening. **Aloe Vera-** is calming and soothing for dry and irritated skin. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). **Cranberry-**provides free-radical protection. Cranberry reduces redness and decreases sebum production to help control an over production of oil. **Blueberry-** contains antioxidants and anti-inflammatory protection and is packed with phytonutrients called anthocyanins. Anthocyanins prevent glycation-induced damage by stabilizing the collagen matrix, promoting collagen biosynthesis, and improving microcirculation to slow down the aging process.
ACTIVE INGREDIENTS	**Hyaluronic Acid-** Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Phospholipid-** is a type of lipid superstar that boosts moisture, helps to strengthen the skin's barrier function and maintain the Natural Moisture Factor (NMF). **CoQ10 (Ubiquinone)-** is a powerful cellular energizer that helps protect the skin from lipid peroxidation. It stimulates healthy collagen production and improves overall skin tone. **Vitamin C-**stimulates collagen synthesis and improve skin tone and texture, reduce brown spots, and decrease the appearance of fine lines and wrinkles. **Green Tea-** Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage within the skin. It is also an astringent that naturally reduces pore size. **Alpha Lipoic Acid –** Potent antioxidant that renews other vital antioxidants such as vitamin C and E while also promoting collagen production and providing anti-inflammatory results.
COMPLETE INGREDIENT LISTING	Purified Water, Aloe Leaf Juice, Kaolin Clay, Glycolic Acid, Squalane, Lactic Acid, Palm Oil, Cranberry, Alpha Lipoic Acid, Vitamin C, Blueberry, Castor Seed Oil, Glycerin, Sodium Stearate, Cetearyl Alcohol, Cetearyl Glucoside, Stearyl Alcohol, Coconut Oil, Cetyl Alcohol, Sodium Hydroxide, Grapeseed Oil, Sweet Almond Oil, Green Tea, Jojoba Oil, Tamanu Oil, Rose Hip Oil, Ubiquinone, Hyaluronic Acid, Periwinkle, Apricot Kernel Oil, Phytic Acid, Phospholipids, Tocopheryl, Lecithin, Apple, Lemon, Sugar Cane, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Licorice Lemongrass, Vitamin C Palmitate, Acetyl Hexapeptide-3, Sclerotium Gum, Potassium Sorbate, Xanthan Gum, Phenoxyethanol, Benzyl Alcohol.
CAUTIONS	Do not use near eyes. Mild skin irritation or redness may occur. Sun Alert: Alpha and Beta Hydroxy Acids may increase sun sensitivity. Wear sunscreen to protect against sunburn.
AVAILABLE SIZES	**Retail:** .68 oz. or 20 ml. **Professional:** 8 oz.
