EXFOLIATING ENZYME WASH

pH	7.3
SKIN TYPES	Appropriate for all skin types including sensitive.
DESCRIPTION	This non-abrasive dermal cleanser washes away impurities and gently exfoliates dry, dead tissue without harming the surrounding healthy cells. The mild enzymes of pineapple and papaya break down the keratin (a protein) in the dead skin cells, dissolving and removing lifeless, dull, rough skin to reveal the softer, healthy layers below. This wash also includes nourishing moisturizers which help to hydrate and balance the newly exposed skin for a fresh, vibrant complexion.
BENEFITS	• Removes build-up. • Digests dead skin cells. • Increases cellular turn-over. • Provides hydration, protection and moisture for the newly exposed skin cells. • Helps make the skin more receptive to subsequent products and procedures.
DIRECTIONS	**Home Care-** Lather cleanser between palms. Massage in circular motions over the face and neck area until make-up, oils, and daily build-up have been removed. Rinse thoroughly. Use twice daily. **Professional Use-** Use cleanser prior to performing any clinical procedure and/or before applying any professional products. Due to its gentle effects, it can be used more than once during a single treatment session to cleanse the skin between procedures. It is used prior to LIGHTWAVE therapy to properly prepare the skin for photon energy absorption. Please see LIGHTWAVE protocols for complete details.
POWER PURE™ INGREDIENTS	**Papaya (papain) and Pineapple (bromelain) Enzymes** – These naturally pure proteolytic enzymes accelerate the cellular renewal process by digesting proteins within the layer of dead skin without irritating the surrounding healthy tissue. This then allows the skin to better absorb subsequent corrective products and/or photon energy during a light therapy treatment. The pineapple enzyme helps to further reduce sun damage and the effects of free radicals created by exposure to UV radiation.
ACTIVE INGREDIENTS	**Wheat Protein**– Provides tightening results while naturally aiding the skin in retaining vital moisture. **D-Panthenol (Vitamin B5)** – Penetrates quickly and effectively into the skin providing assistance in tissue repair. Also works as anti-inflammatory and helps to minimizes sun damage. **Hyaluronic Acid** – Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Avocado Oil** – One of the most penetrating oils that can "carry" active ingredients into the skin. It is an exceptional emollient that aides in skin rejuvenation.
COMPLETE INGREDIENT LISTING	Purified Water, Sodium Laurylglucosides Hydroxypropylsulfonate, Sodium Methyl Cocoyl Taurate, Sodium Lauroamphoacetate, Sodium Cocoyl Hydrolyzed Amaranth Protein, Glycerin, Anthemis Nobilis (Chamomile) Flower Extract, Aloe Barbadensis Leaf Juice, Sodium Decylglucosides Hydroxypropylsulfonate, Citrus Grandis (Grapefruit) Seed Extract, Bromelain, Persea Gratissima (Avocado) Oil, Tocopheryl Acetate (D-alpha), Glycine Soja (Soybean) Oil, Hamamelis Virginiana (Witch Hazel) Water, Vitis Vinifera (Grape) Seed Extract, Allyl Caproate, Hydrolyzed Wheat Protein, Carica Papaya Fruit Juice, Sodium Hyaluronate (L), Papain, Sodium Chloride, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Potassium Sorbate, Panthenol (D), Propylene Glycol, Phenethyl Alcohol, Caprylyl Glycol
CAUTIONS	Avoid getting the product in the eyes when washing the face and neck area.
AVAILABLE SIZES	**Retail:** 4 oz., 8 oz. **Professional:** 16 oz.

CALMING CUCUMBER MIST

pH	4.5
SKIN TYPES	Ideal for mature and normal skin types.
DESCRIPTION	This vitamin rich hydrating mist provides moisture and soothing botanicals to over-stressed and dry skin. This product contains a select blend of anti-inflammatory and healing ingredients that fight damage caused by over drying and the environment.
BENEFITS	• Reduces inflammation. • Helps minimize sun damage. • Increases skin hydration. • Increases cellular regeneration. • Soothes and calms red, irritated skin.
DIRECTIONS	**Home Care-** Cleanse with Exfoliating Enzyme Wash, lightly mist entire face and neck area morning and night or as needed for additional hydration. Allow mist to absorb completely before applying any other ABI products. Avoid spraying directly into the eyes. **Professional Use-** After cleansing the skin with Exfoliating Enzyme Wash, saturate a 4x4 cotton square and sweep the face in an upward motion. Allow face to dry before applying additional therapeutic products and/or sunscreen. The Calming Cucumber Mist is often used after LIGHTWAVE therapy to provide additional hydration. Please see LIGHTWAVE protocols for complete details.
POWER PURE™ INGREDIENTS	**Aloe Vera-** Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available for use in cosmetics. It has a composition similar to that of human blood plasma and sea water, and because its pH is the same as human skin, it is extremely soothing and protective. It is also a natural astringent.
ACTIVE INGREDIENTS	**Tocopherol (Vitamin E) -** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun. **Cucumber Extract-** Contains amino acids and minerals that provide an anti-inflammatory, cooling and soothing affect on the skin. **Witch Hazel-** Effective astringent that is also soothing and healing. It is also known to help reduce oil production and dry out acne breakouts. **D-Panthenol (Vitamin B5) -** Penetrates quickly and effectively into the skin providing assistance in tissue repair. Also works as an anti-inflammatory agent and helps to minimizes sun damage.
COMPLETE INGREDIENT LISTING	Organic Aloe Barbadensis Leaf Juice, Organic Hamamelis Virginiana (Witch Hazel) Extract, Organic Cucumis Sativus (Cucumber) Extract, Polysorbate 20, Gluconolactone, Sodium Benzoate, Tocopherol (Vitamin E), Panthenol (Vitamin B5), Citrus Aurantium Dulcis (Orange) Peel Oil, Citrus Medica Limonum (Lemon) Peel Oil, Citrus Aurantium (Petitgrain) Oil, Sodium Bicarbonate, Citric acid.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	**Retail:** 4 oz., 8 oz. **Professional:** 8 oz.

CORRECTIVE WASH

pH	4.0
SKIN TYPES	Ideal for oily and acne prone skin.
DESCRIPTION	This dynamic wash effectively removes surface oil, bacteria and debris without stripping the skin of its natural oils. It helps to control the acne "P" bacteria leaving the skin free of blemishes, as it deeply and gently cleanses the skin. This product leaves the skin feeling naturally balanced and nourished.
BENEFITS	• Reduces bacteria responsible for breakouts. • Reduces excess oil production. • Increases cellular turn over. • Reduces inflammation. • Protects against free radical damage.
DIRECTIONS	**Home Care-** Lather cleanser between palms. Massage in circular motions over the face and neck area until make-up, oils, and daily build-up have been removed. Rinse thoroughly. Use twice daily, morning and night. **Professional Use-** Use cleanser prior to performing any clinical procedure and/or before applying any professional products on acne prone and/or oily skin. It is used prior to a Blue/Red LIGHTWAVE therapy session to properly prepare the skin for photon energy absorption. Please see LIGHTWAVE protocols for complete details.
POWER PURE™ INGREDIENTS	**Cranberry Extract –** Cranberry Extract contains proanthocyanidins which are responsible for its antioxidants and anti-inflammatory properties. It is also considered a natural astringent. **Wasabi Japonica Root Extract –** Wasabi Extract has consistently demonstrated powerful antioxidant and antimicrobial properties since the 10th century. It is widely recognized for having a high Vitamin C (antioxidant) content and contains isothiocyanates, which provide anti-carcinogenic, antibacterial and antimicrobrial benefits. When applied to the skin Wasabi Roots natural warming properties are able to soothe the most inflamed conditions, making this an ideal ingredient for oily and acne prone skin.
ACTIVE INGREDIENTS	**Willow Bark-** Provides natural beta hydroxy acid (BHA) activity and significant anti-inflammatory action that has shown excellent results when dealing with acne and problematic skin. **Lactic Acid –** Is a noted alpha hydroxyy acid (AHA) that demonstrates natural moisturizing properties and helps to increase cellular turnover. **Rosemary Extract -** Is a potent antioxidant and also helps to increase circulation boosting the skin's ability to fight free radical damage. **Witch Hazel-** Effective astringent that is also soothing and healing. It is also known to help reduce oil production and dry out acne breakouts. **D-Panthenol (Vitamin B5)** – Penetrates quickly and effectively into the skin providing assistance in tissue repair. Also works as anti-inflammatory and helps to minimizes sun damage.
COMPLETE INGREDIENT LISTING	Purified, Sodium Laurylglucosides Hydroxypropylsulfonate, Sodium Methyl Cocoyl Taurate, Polyglyceryl-4 Caprate, Hamamelis Virginiana (Witch Hazel) Water, Cocamidopropyl Hydroxysultaine, Sodium Cocoyl Hydrolyzed Amaranth Protein, Lactic Acid, Wasabia Japonica (Wasabi) Root Extract, Vaccinium Macrocarpon (Cranberry) Fruit Extract, Salix Alba (Willow) Bark Extract, Lavandula Angustifolia (Lavender) Oil, Menthyl Lactate (L), Rosmarinus Officinalis (Rosemary) Extract, Glycerin, Panthenol (D), Gluconolactone, Sodium Benzoate, Sodium Decylglucosides Hydroxypropylsulfonate
CAUTIONS	Avoid getting the product in the eyes when washing the face and neck area.
AVAILABLE SIZES	**Retail:** 4 oz., 8 oz. **Professional:** 16 oz.

CORRECTIVE MIST

pH	7.0
SKIN TYPES	Ideal for oily and acne prone skin.
DESCRIPTION	This efficient blemish spray hydrates and soothes as it alleviates congested skin. This powerful formula with Niacinamide, a known antioxidant and anti-inflammatory agent, and Sodium PCA, a high performance humectant, help to hydrate the skin while reducing the acne "P" bacteria diminishing blemishes.
BENEFITS	• Reduces pore size and prevents water loss. • Reduces inflammation and calms inflamed, irritated skin. • Reduces the acne "P" bacteria. • Reduces oil production and increases hydration.
DIRECTIONS	**Home Care-** Shake well to activate. Cleanse with Corrective Wash. Proceed by misting the blemish spray all over the entire face twice daily or as needed. Allow to dry before putting any additional ABI products onto the skin. **Professional Use-** After cleansing the skin with Corrective Wash, saturate a 4x4 cotton square and sweep the face in an upward motion. Allow face to dry before applying additional therapeutic products and/or sunscreen. The Corrective Mist is often used after a Blue/Red LIGHTWAVE therapy session to provide additional antibacterial properties. Please see LIGHTWAVE protocols for complete details.
POWER PURE™ INGREDIENTS	**Niacinamide (B3) –** A water soluble vitamin that is proven to be stable in the presence of light and heat. It is an anti-inflammatory agent that helps to reduce the acne "P" bacteria. Studies have shown that Niacinamide stimulates microcirculation in the dermis, increases ceremide and fatty acid levels in the skin, reduces water loss and increases hydration. **Exchanger (Montmorillonite) –** An ultra fine emulsion of Green Clay that penetrates the inner layers of the skin to effectively deliver naturally balanced minerals and trace minerals including copper, zinc, titanium, calcium and magnesium. The Exchanger helps to reduce pore size and prevent water loss and is used to decrease sebum production while maintaining skin hydration and moisture.
ACTIVE INGREDIENTS	**Sodium PCA-** A natural component found within the skin that is a water binding agent. It increases hydration and boosts the skin's moisture levels. **Aloe Vera-** Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available for use in cosmetics. **Wasabi-** Wasabi Extract has consistently demonstrated powerful antioxidant and antimicrobial properties since the 10th century. It is widely recognized for having a high Vitamin C (antioxidant) content and contains isothiocyanates, which provide anti-carcinogenic, antibacterial and antimicrobrial benefits. **Witch Hazel-** Effective astringent that is also soothing and healing. It is also known to help reduce oil and dry out acne breakouts. **Niaouli Oil-** Is a non-toxic, non-irritating, essential oil that is an excellent acne fighting ingredient due to its astounding antibacterial and antiseptic attributes
COMPLETE INGREDIENT LISTING	Hamamelis Virginiana (Witch Hazel) Water, Purified Water, Niacinamide, Montmorillonite, Wasabia Japonica (Wasabi) Root Extract, Sodium PCA, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Aloe Barbadensis Leaf Juice Powder, Melaleuca Viridiflora (Niaouli) Oil, Glycerin, Phytic Acid, Potassium Sorbate
CAUTIONS	Avoid getting the product in the eyes when applying to the skin.
AVAILABLE SIZES	**Retail:** 4 oz., 8 oz. **Professional:** 8 oz.

MOISTURIZING ANTIOXIDANT

pH	4.5
SKIN TYPES	Ideal for mature and normal skin.
DESCRIPTION	This potent antioxidant rich product boosts the skin's hydration level as it tightens, tones, and repairs damaged tissue. The therapeutic formula improves the skin's natural barrier against irritants while stimulating collagen production. Using this product on a daily basis will provide firmer, tighter skin with a more even skin tone and lessen the appearance of fine lines and wrinkles.
BENEFITS	• Stimulates collagen production and boost cellular activity. • Protects against free radical damage. • Assists with tissue repair. • Increases skin hydration and improves skin elasticity.
DIRECTIONS	**Home Care-** Cleanse with Exfoliating Enzyme Wash, apply a single pump of Moisturizing Antioxidant over entire face and neck area twice daily. Massage gently into the skin and allow to absorb before applying any other ABI therapeutic products. Use morning and night. **Professional Use-** Moisturizing Antioxidant should be used as your moisturizer during a facial. It's generally applied after the facial cleansing and/or clinical procedure(s) such as microderm that has been performed to assist with tissue repair. It should be applied prior to applying any anti-aging or corrective serums/lotions/gels or any sunblock.
POWER PURE™ INGREDIENTS	**Copper Tripeptide-1-** Assists in tissue repair and provides collagen synthesis. Skin will be firmer and fine lines less noticeable. **Co-Enzyme Q10 –** Is a vitamin like antioxidant that helps to boost cellular activity. It helps to fortify the skin's defense against UV damage, while reducing the appearance of wrinkles, strengthening cell membranes and providing the skin with new energy. It is found in every cell of the human body.
ACTIVE INGREDIENTS	**Ceramide-3–** Naturally occurring skin lipid that is a major structural component of the epidermis which helps to restore and maintain the skin's barrier system. Necessary for skin's moisture retention, cell regulation and regeneration. **Ascorbyl Palmitate – –** Non-acidic, stable Vitamin C, but without the irritation of L-ascorbic acid. Significantly reduces erythema or redness. **Algae –** Rich in amino acids, proteins, antioxidants and vitamins which support the skin's ability to heal and repair. Rich in the same vital nutrients, trace elements and amino acids present in human blood plasma, allowing it to penetrate the skin more thoroughly than most other ingredients. It speeds up the elimination of toxins from cells and is a natural cellular renewal ingredient. It also helps to nourish and remineralize the skin. **Squalane –** Helps to improves skin elasticity and hydration. Excellent emollient which has antioxidant and immune stimulating properties. Squalane is non-comedogenic.
COMPLETE INGREDIENT LISTING	Purified Water, Caprylic/Capric Triglyceride, Glycerin, Coco-Caprylate / Caprate, Cetearyl Alcohol, Cetearyl Glucoside, Glyceryl Stearate, Squalane, Camellia Sinensis (Green Tea) Leaf Extract, Helianthus Annuus (Sunflower) Seed Oil, Fructooligosaccharides (D-beta), Copper Tripeptide-1, Algae Extract, Panthenol (D), Prunus Armeniaca (Apricot) Kernel Oil, Ascorbyl Palmitate (L), Daucus Carota Sativa (Carrot) Seed Oil, Solanum Lycopersicum (Tomato) Fruit Lipids, Vanilla Planifolia Fruit Oil, Zinc Sulfate, Ubiquinone (CoQ10), Spirulina Platensis Extract, Sodium Hyaluronate (L), Ceremide 3, Potassium Sordate, Xanthan Gum, Caprylyl Glycol, Phenethyl Alcohol, Calcium Gluconate, Gluconolactone, Sodium Benzoate, Alcohol Denat.
CAUTIONS	Avoid getting the product in the eyes when applying to the face and neck area.
AVAILABLE SIZES	**Retail:** 1oz. **Professional:** 16 oz.

HYDRATING SOY CREAM

pH	3.5
SKIN TYPES	Appropriate for all skin types including sensitive and acne prone.
DESCRIPTION	This intense healing moisturizer increases hydration and protects the skin against water loss while promoting tissue repair. It restores the natural suppleness of the skin that is usually lost as we age and are exposed to environmental pollutants. This thick cream based product is ideal for use after chemical peels and for post laser care.
BENEFITS	• Assists with tissue repair and promotes healthy skin. • Increases skin hydration and moisture retention. • Protects against free radical damage. • Reduces inflammation.
DIRECTIONS	**Home Care-** For Daily use: Apply a thin layer following ABI's moisturizing Antioxidant. Allow the cream to absorb completely before applying ABI's Firming Peptide Cream or Sensible sunscreen. Post laser Care: Cleanse skin with Exfoliating Enzyme Wash, apply an ample amount of Hydrating Soy Cream twice daily, covering the entire targeted area. Allow to completely absorb before applying any other ABI products or sunscreen. **Professional Use-** Apply an ample mount following any ablative procedure that has stripped the skin of its hydration and protective barrier. It is often used for post peel and post LIGHTWAVE recovery. Please see LIGHTWAVE protocols.
ACTIVE INGREDIENTS	**Soy-** A potent antioxidant and anti-inflammatory agent that is rich in vitamin E and helps to improve skin clarity and promote collagen synthesis. **Jojoba Seed Oil-** Effective moisturizer and emollient that helps to improve skin elasticity and suppleness, containing natural tocopherols that minimize oxidation and lipid peroxidation. Jojoba oil is strikingly similar to human sebum and is able to effectively penetrate the skin. It is a natural cellular renewal ingredient as well as an excellent moisturizer. **Black Currant Seed Oil-** Is natural plant oil that promotes healthy skin growth. Also contains GLA (Gamma Linolenic Acid) which is a powerful antioxidant and cell regulator. **Tocopherol (D-alpha) -** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun. **Squalane-** Helps to improve skin elasticity and hydration. Excellent emollient which has antioxidant and immune stimulating properties. Squalane is non-comedogenic. **Rosehip oil-** Is rich in essential fatty acids, vitamins and minerals. It has natural anti-oxidant properties and is slightly astringent. Rosehip oil has been shown to help improve skin elasticity, regenerate skin cells, slow down premature aging, reduce the formation of wrinkles, and also reduce scarring.
COMPLETE INGREDIENT LISTING	Purified Water, Caprylic/Capric Triglyceride, Squalane, Cetearyl Alcohol, Cetearyl Olivate, Simmondsia Chinensis (Jojoba) Seed Oil, Sorbitan Olivate, Glycerin, Rosa Canina (Rose Hip) Fruit Oil, Helianthus Annuus (Sunflower) Seed Oil, Citrus Clementina Fruit Extract, Ribes Nigrum (Black Currant) Seed Oil, Glycine Soja (Soybean) Oil, Tocopherol (D-alpha), Lecithin, Soy Isoflavones, Xanthan Gum, Gluconolactone, Sodium Benzoate, Phytic Acid, Phenoxyethanol, Caprylyl Glycol, Alcohol Denat.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	**Retail:** 1.7 oz.

HYDRATING RECOVERY GEL

pH	N/A
SKIN TYPES	Appropriate for all skin types including sensitive and acne prone.
DESCRIPTION	This soothing, anti-inflammatory gel simulates skin regeneration and wound healing while effectively neutralizing free radical damage. It significantly increases moisture retention and aids in the synthesis of ATP and DNA to provide a youthful healthy complexion. Its powerful and potent ingredients help to decrease healing time and increase the overall quality of the skin.
BENEFITS	• Promotes healthy skin. • Increases skin hydration and moisture retention. • Soothes and protects dry and ablated skin. • Reduces inflammation.
DIRECTIONS	**Home Care-** Post laser Care: Apply a dime size amount of hydrating gel immediately following the treatment. Allow gel to penetrate completely. For additional hydration, Recovery gel can be reapplied every 3-4 hours following the initial treatment. **Professional Use-** Apply a dime size amount following any ablative procedure that has stripped the skin of its hydration and protective barrier. Allow gel to penetrate completely before applying any other post care products including sunscreen.
ACTIVE INGREDIENTS	**Green Tea-** Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage within the skin. It contains powerful promotes skin regeneration and wound healing. It is also an astringent that naturally reduces pore size. **Sodium Hyaluronate (Hyaluronic Acid)** – Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Aloe Vera-** Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available. It is extremely soothing and protective. It is also a natural astringent. **Sepitonic®M3-** This multi-mineral chrono-energizing agent is made up of Magnesium, Zinc and Copper. These elements help to maintain skin function and stimulate cellular regeneration while enhancing and brightening skin tone, and restoring skin vitality. • Magnesium- encourages protein synthesis and phosphates transfer. • Copper- encourages synthesis of ATP, keratin and collagen. • Zinc- plays a role in the synthesis of DNA. It helps combat aging by stimulating reversal of the collagen matrix.
COMPLETE INGREDIENT LISTING	Water, Xylitol , Inositol, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate, Camellia Sinensis (Green Tea) Leaf extract, Sodium Hyaluronate, Aloe Barbadensis Leaf Extract, Ascophyllum Nodosum (Seaweed) Extract, Dipotassium Glycyrrhizate, Sodium PCA, Cucumis Sativus (Cucumber) Juice, Phenoxyethanol, Caprylyl Glycol, Sobic Acid, Carbomer, Dimethyl MEA.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	Retail: 4oz Professional: 16oz

HYALURONIC PEPTIDE SERUM

pH	6.5
SKIN TYPES	Appropriate for all skin types including sensitive.
DESCRIPTION	This powerful serum is designed for post laser, post peels, sun burns, wound healing, scar reduction, and restoring elasticity and skin tone. Its moisture retention benefits reduce dryness, itching and burning. It contains a very high concentration of medical grade Hyaluronic acid, which dramatically boosts the skin's hydration levels and helps to maintain the elasticity within the skin. This unique concentrate also contains Sepitonic®M3 and the remarkable peptide known as Argireline®, making it one of the most potent products we carry.
BENEFITS	• Increases moisture retention and hydration. • Stimulates the production of ATP, keratin and collagen. • Strengthens the skin matrix and restores skin elasticity. • Reduces the depth of wrinkles on the face caused by the contraction of muscles of facial expression, especially in the forehead and around the eyes.
DIRECTIONS	**Home Care-** Cleanse with Exfoliating Enzyme Wash. Then massage an ample amount over entire face area. Allow serum to completely penetrate the skin and completely absorb. Skin will instantly feel tighter. For adequate results, use twice daily, morning and night for a minimum of 30 days. **Professional Use-** Apply an ample mount following any ablative procedure that has stripped the skin of its hydration and protective barrier. When using in conjunction with ABI's Intense Antioxidant, this product should be applied after the Intense Antioxidant. Allow serum to penetrate completely before applying any other post care products including sunscreen.
POWER PURE™ INGREDIENTS	**Medical Grade Hyaluronic Acid** – Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Argireline® (Acetyl Hexapeptide-8)** – Is an amino-peptide that blocks transmitter signals from facial muscles to the skin, keeping the skin relaxed and smooth. When used twice daily for a minimum of 30 days, skin will have lesser appearance of wrinkles and lines due to its ability to restrict facial movement 9similar to the effects of Botox). Used in conjunction with Botox, this unique product will provide longevity to the procedure approximately 4-6 weeks.
ACTIVE INGREDIENTS	**Sepitonic®M3-** This multi-mineral chrono-energizing agent is made up of Magnesium, Zinc and Copper. These elements help to maintain skin function and stimulate cellular regeneration while enhancing and brightening skin tone, and restoring skin vitality. • Magnesium- encourages protein synthesis and phosphates transfer. • Copper- encourages synthesis of ATP, keratin and collagen. • Zinc- plays a role in the synthesis of DNA. It helps combat aging by stimulating reversal of the collagen matrix.
COMPLETE INGREDIENT LISTING	Purified Water, Hyaluronic Acid, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate, Acetyl Hexapeptide-8.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	**Retail:** 1oz. **Professional:** 4 oz.

INTENSE ANTIOXIDANT

pH	7.0
SKIN TYPES	Ideal for mature and ablated skin.
DESCRIPTION	This product is an anti-inflammatory antioxidant and contains a combination of anti-aging ingredients that work together to slow-down the aging process. Skin will feel silky and appear soft and supple. It helps normalize dry, patched skin by producing long lasting moisture in addition to having anti-keratinization and anti-wrinkle free properties.
BENEFITS	• Protect the skin from UV-damage. • Suppress hyperpigmentation and brightens the skin. • Stimulates collagen synthesis. • Improves skin's elasticity and increases moisture retention and hydration.
DIRECTIONS	**Home Care-** Cleanse with Exfoliating Enzyme Wash. Massage a pea size amount over entire face and neck area. Allow to absorb. Use twice daily. **Professional Use-** Due to its acute anti-inflammatory properties it is an excellent professional product to be used immediately after microderm, non-ablative laser, chemical peels, IPL and photo-facial to reduce erythema (redness) quickly.
POWER PURE™ INGREDIENTS	**Astaxanthin -** Anti-inflammatory antioxidant, derived from the carotenoid family. Studies show that it has strong antioxidant activity (10 times higher than beta-carotene), and can be more than 100 times more effective as an antioxidant than Vitamin E.
ACTIVE INGREDIENTS	**Caviar Extract –** contains micro-nutrients that feed and nourish the skin, improve elasticity and enhance the overall health and appearance of maturing skin. Skin texture appears firmer and more supple as it helps to restore the skins natural balance. It also promotes vital communication between cells and skin, strengthening and repairing important barrier functions while also naturally stimulating cellular metabolism and cutaneous rejuvenation. Caviar Extract also has the ability to help to prevent free radical formation. It includes B1, B2, B6 as well as A, E, and D. It also contains constituents including cobalt, copper, iodine, iron, magnesium silicium and zinc. Amino acids present are glutamic acid, glycine, methionine, lysine, arginine, histidine, and aspartic acid. **Palmitoyl Pentapeptide-4 –** A lipophilic peptide that counteracts lines and wrinkles. Proven to simulate collagen synthesis, produces long lasting moisture retention and smoothes the skin. **Ascorbyl Palmitate –** Non-acidic, stable Vitamin C, but without the irritation of L-ascorbic acid. Significantly reduces erythema or redness. **Retinyl Palmitate–** A natural anti-aging ingredient responsible for anti-keratinization, improves skin's elasticity, assists in the normalization of dry, patched skin and improves photo damage.
COMPLETE INGREDIENT LISTING	Deionized Water, Cyclopentisiloxane, Glycerin, Cyclomethicone, Caviar extract, Caprylic/Capric Triglyceride, Ricinus Communis (Castor) Seed Oil, Ammonium Acryloyldimethyltaurate/VP Copolymer, Melia Azadirachta (Neem) Leaf Extract, Eclipta Prostrata Extract, Moringa Pterygosperma Seed oil, Bisabolol (L-alpha), Elaeis Guineensis (Palm) Oil, D-alpha-tocopherol, Tocotrienols, Squalane, Phytosterol Comlex, Astaxanthin, Palmitoyl Tetrapeptide-7, Palmitoyl Oligopeptide, Glycerine Soja (Soybean) Oil, Aloe Barbadensis (Organic) Leaf Juice Powder, Allantoin, Retinyl Palmitate (Vit A), Camellia Sinensis (Green Tea) Leaf Extract, Vitis Vinifera (Grape) Seed Extract, Papain, Algae Extract, Ascorbyl Palmitate, Lonicera Caprifolium (Honeysuckle) Flower Extract, Zea Mays Corn Oil, Butylene Glycol, Sodium Chloride, Carbomer, Polysorbate 20, Phenoxyethanol, Potassium Sorbate, Caprylyl Glycol, Trisodium Ethylenediamine Disuccinate
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	**Retail:** 1oz. **Professional:** 4 oz., 8 oz.

CLINICAL EYE REPAIR

pH	3.8
SKIN TYPES	Appropriate for all skin types including sensitive, mature and dry.
DESCRIPTION	This intensely rich cream utilizes the proven power of Eyeliss® and Haloxyl® to diminish dark circles, signs of puffiness, fine lines and redness. This product can be applied under make-up and throughout the day to further provide relief from dark circles and puffiness.
BENEFITS	• Reduces the appearance of dark circles under the eye. • Decreases capillary permeability • Improves lymphatic circulation. • Improves firmness and elasticity. • Decreases inflammation and under eye puffiness. • Tones sagging skin.
DIRECTIONS	**Home Care-** Apply a pea size amount of Clinical Eye Repair around the eye and brow area, gently pat into the skin. Use morning and night or as needed. **Professional Use-**Apply a small pea size amount to orbital eye area by tapping it around the eye area starting with the outside brow bone and working your way inward. Allow the cream to absorb into the skin completely before applying any other ABI products. During a routine facial, apply at the end of the facial, prior to applying any other products or sunscreen.
POWER PURE™ INGREDIENTS	**Haloxyl®-** Proven to significantly reinforce firmness and tone up the eye area. It facilitates the elimination of blood pigments responsible for dark circle coloration and local inflammation. **Eyeliss®-** Increases lymphatic circulation thereby reducing under eye "bags" and preventing puffiness. It is also a great anti-inflammatory agent that improves skin tone and texture.
ACTIVE INGREDIENTS	**Black Currant Seed Oil-** Is natural plant oil that promotes healthy skin growth. Also contains GLA (Gamma Linolenic Acid) which is a powerful antioxidant and cell regulator. **Tocopherol (D-alpha)-** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun. **Squalane-** Helps to improves skin elasticity and hydration. Excellent emollient which has antioxidant and immune stimulating properties. Squalane is non-comedogenic. **Soy-** A potent antioxidant and anti-inflammatory agent that is rich in vitamin E and helps to improve skin clarity and promote collagen synthesis.
COMPLETE INGREDIENT LISTING	Purified Water, Caprylic/Capric Triglyceride, Glycerin, Squalane, Cetearyl Alcohol, Cetearyl Olivate, Simmondsia Chinensis (Jojoba) Seed Oil, Sorbitan Olivate, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Dipeptide-2, Xanthan Gum, Rosa Canina (Rose Hip) Fruit Oil, Helianthus Annuus (Sunflower) Seed Oil, Citrus Clementina Fruit Extract, Ribes Nigrum (Black Currant) Seed Oil, Glycine Soja (Soybean) Oil, Tocopherol (D-alpha), Steareth-20, Chrysin, N-Hydroxysuccinimide, Hesperidin Methyl Chalcone, Gluconolactone, Sodium Benzoate, Phytic Acid, Phenoxyethanol, Caprylyl Glycol.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	**Retail:** .5 oz

FIRMING PEPTIDE CRÈME

pH	6.0
SKIN TYPES	Appropriate for all skin types including sensitive.
DESCRIPTION	Designed to boost the synthesis of Collagen I, III, and IV. This unique concentrate also contains age-defying antioxidants, vitamins and soothing natural hydrators, designed to nourish and protect the cells, leaving the skin firmer and tighter. The unique ingredient referred to as Matrixyl™ 3000 (palmitoyl oligopeptide (and) palmitoyl tetrapeptide-7), an anti-wrinkle component that acts in synergy to restore and maintain skin's youthful appearance. This combination of peptides, will help reduce the appearance of wrinkles, improve complexity (lifting effect), and reduces roughness of skin, providing a smoother even skin tone.
BENEFITS	• Boost the synthesis of collagen prodcution. • Protects against free radical damage. • Promotes healthy skin regeneration. • Dramatically improves skin firmness, tone and overall skin texture.
DIRECTIONS	**Home Care-** Cleanse with Exfoliating Enzyme Wash and apply a dime size amount to the entire face area. Massage gently into the face, neck, and under eye area. Allow to absorb. Use twice daily morning and night. **Professional Use-** It is often used for post LIGHTWAVE care. Please see LIGHTWAVE protocols.
POWER PURE™ INGREDIENTS	**Matrixy™ 3000 (palmitoyl oligopeptide and palmitoyl tetrapeptide-7) –** Clinically proven to increase the synthesis of the dermal matrix, molecules essential for preserving the skins youthful appearance and feel. Aids in the formation of Collagen I, III and IV.
ACTIVE INGREDIENTS	**Black Currant Seed Oil-** Is natural plant oil that promotes healthy skin growth. Also contains GLA (Gamma Linolenic Acid) which is a powerful antioxidant and cell regulator. **Hyaluronic Acid -** Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Alpha Lipoic Acid –** Potent antioxidant that negates free radical damage inside and outside the cell membrane. Has the unique ability to "renew" other vital antioxidants such as vitamin C and E while also promoting collagen production and providing anti-inflammatory results. **Retinol –** Acts as a keratinizing agent by helping skin stay soft and plump, as well as improving its water-barrier properties. **Squalane-** Helps to improves skin elasticity and hydration. Excellent emollient which has antioxidant and immune stimulating properties. Squalane is non-comedogenic.
COMPLETE INGREDIENT LISTING	Purified Water, Helianthus Annuus (Sunflower) Seed Oil, Glycerin, Caprylic/Capric Triglyceride, Squalane, Cetearyl Olivate, Ribes Nigrum (Black Currant) Seed Oil, Rosa Canina (Rose Hip) Fruit Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Sodium Hyaluronate (L), Palmitoyl Tetrapeptide-7, Palmitoyl Oligopeptide, Thioctic (R-lipoic) Acid, Retinol, Tocopheryl Acetate (D-alpha), Glycine Soja (Soybean) Oil, Yeast (B Complex), Extract, Pyridoxine HCl, Thiamine HCl, Hamamelis Virginiana (Witch Hazel) Water Elaeis Guineensis (Palm) Oil, Tocotrienols, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Potassium Sorbate, Caprylyl Glycol, Phenethyl Alcohol, Trisodium Ethylenediamine Disuccinate, Cetearyl Alcohol, Polysorbate 60, Sorbitan Olivate, Polysorbate 20, Citric Acid, Xanthan Gum, Carbomer, Butylene Glycol.
CAUTIONS	Avoid getting the product in the eyes when applying to the face and neck area.
AVAILABLE SIZES	**Retail:** 1oz. **Professional:** 4 oz., 8 oz.

CORRECTIVE TREATMENT GEL

pH	3.5
SKIN TYPES	Ideal for oily and acne prone skin.
DESCRIPTION	Salicylic acid works synergistically with Niacinamide and Wasabi to remove excess oil and debris from the skin while providing powerful anti-bacterial action. This powerful gel exfoliates, minimizes scarring, accelerates healing, and helps to control acne "P" bacteria
BENEFITS	• Gently exfoliates and dissolves the top layer of the stratum corneum. • Reduces inflammation and soothes inflamed, irritated skin. • Reduces the acne "p" bacteria. • Increases moisture retention to reduce sebum production.
DIRECTIONS	**Home Care-** Cleanse face with Corrective Wash. Spritz with Corrective Mist and allow to air dry. Apply a thin even layer over the entire face, avoiding the eye area, or use as a spot treatment and apply 1-2 drops of treatment gel to only problem areas. **Professional-** During an acne facial, apply a pea size amount to the area of concern. Allow it to absorb completely before applying any other products. During a facial treatment, it should be one of the last products to be applied. It is often used for post LIGHTWAVE care. Please see LIGHTWAVE protocols.
ACTIVE INGREDIENTS	**Salicylic Acid (2%) -** A lipid and oil soluble beta hydroxy acid that is an exceedingly efficient keratolytic agent that gently exfoliates by dissolving the top layer of the corneum cells while also clearing skin impactions and helping to reduce oil content. It is a natural anti-bacterial and antimicrobrial agent that has the unique ability to exfoliate inside the clogged pore as well as outside, making this an ideal acne fighting ingredient. **Wasabi -** Wasabi Extract has consistently demonstrated powerful antioxidant and antimicrobial properties since the 10th century. It is widely recognized for having a high Vitamin C (antioxidant) content and contains isothiocyanates, which provide anti-carcinogenic, antibacterial and antimicrobrial benefits. **Niacinamide (B3) -** A water soluble vitamin that is proven to be stable in the presence of light and heat. It is an antioxidant and anti-inflammatory agent that helps to reduce the acne "P" bacteria. Studies have shown that Niacinamide stimulates microcirculation in the dermis, increases ceremide and fatty acid levels in the skin, reduces water loss and increases hydration. **Hyaluronic Acid** – Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Tea Tree Oil –** Natural antibacterial agent with incredible disinfecting properties. **Witch Hazel-** Effective astringent that is also soothing and healing. It is also known to help reduce oil and dry out acne breakouts.
COMPLETE INGREDIENT LISTING	Aqua (Water), Alcohol Denat., Hamamelis Virginiana (Witch Hazel) Water, Glycerin, Niacinamide, Salicylic Acid, Arctium Lappa (Burdock) Root Extract, Lavandula Angustifolia (Lavender) Oil, Wasabia Japonica (Wasabi) Root Extract, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Sodium Hyaluronate (Hyaluronic Acid), Cyamopsis Tetragonoloba (Guar) Gum, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Zinc Sulfate, Gluconolactone, Sodium Benzoate, Potassium Sorbate, Xanthan Gum, Polysorbate 20, Citric Acid.
CAUTIONS	Avoid getting the product in eyes or open sores and wounds. Wash hands immediately after using. If product gets into the eyes, flush eye areas with water. See physician immediately if irritation persists.
AVAILABLE SIZES	**Retail:** 2 oz.

CORRECTIVE PADS

pH	3.0
SKIN TYPES	Appropriate for all skin types including sensitive. Ideal for oily and acne prone skin.
DESCRIPTION	These pads are designed to resurface and alleviate congested skin. They will also help to reduce sebum in oily skin conditions. This unique formula of glycolic acid, combined with willow bark will gently exfoliate dead skin cells, keeping skin feeling smooth and providing a more even skin tone without irritating sensitive skin.
BENEFITS	• Remove excess sebum and dead skin cells. • Reduces inflammation and calms and soothes dry, irritated skin. • Protects against free radical damage. • Increases cellular turn-over.
DIRECTIONS	**Home Care-** Cleanse skin with Corrective Wash and gently wipe pad over the affected area on face or body one to two times daily. Then apply hydrating and/or other therapeutic products prescribed by skin care specialist or physician. Best when used in the evening. Note: The pads can be used throughout the day to remove traces of dirt and oil. If over drying of the skin occurs, limit the pad use to once a day. **Professional Use-** It is often used between LIGHTWAVE treatment sessions. Please see LIGHTWAVE protocols.
POWER PURE™ INGREDIENTS	**Glycolic Acid (7%) –** An effective alpha hydroxyl acid (AHA), generally found in sugar cane, sugar beets and unripe grapes that improves hydration by enhancing moisture intake. It does this by reacting with the upper layer of the epidermis, dissolving the bonds that hold dead skin cells together allowing essential moisture to penetrate the skin. It also helps to increase cellular turnover, refine skin texture, and assist in skin lightening while also providing better penetration for other products due to its small molecular structure.
ACTIVE INGREDIENTS	**Willow Bark Extract-** Provides natural beta hydroxy acid activity and significant anti-inflammatory properties that has shown excellent results when dealing with acne and problematic skin. **Witch Hazel-** Effective astringent that is also soothing and healing. It is also known to help reduce oil and dry out acne breakouts. **Aloe Vera-** Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available for use in cosmetics. **Allantoin-** An effective healing agent that helps to promote cellular renewal and it has a soothing and softening effect. **Green Tea-** Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage within the skin. It is also an astringent that naturally reduces pore size.
COMPLETE INGREDIENT LISTING	Hamamelis Virginiana (Witch Hazel) Water, Glycolic Acid, Purified Water, Aloe Barbadensis Leaf Juice, Polysorbate 20, Allantoin, Camellia Sinensis (Green Tea) Leaf Extract, Glycerin, Symphytum Officinale (Comfrey) Leaf Extract, Salix Alba (Willow) Bark Extract, Menthol (L), Sodium Hyaluronate (Hyaluronic Acid), Sodium Hydroxide, Potassium Sorbate, Caprylyl Glycol, Phenethyl Alcohol.
CAUTIONS	Avoid getting the product in the eyes when applying to the face and neck area.
AVAILABLE SIZES	**Retail:** 60 pads

EXTRA STRENGTH CORRECTIVE PADS

pH	3.5
SKIN TYPES	Appropriate for oily and acne prone skin. Do not use on sensitive skin.
DESCRIPTION	These extra strength pads are used to naturally exfoliate dead skin cells unclogging congested pores. This formula utilizes powerful acne fighting ingredients such as salicylic acid and glycolic acid to rid the skin of unsightly blemishes by reducing sebum production, and exfoliating dead skin cells promoting a clear and healthy complexion.
BENEFITS	• Remove excess sebum and dead skin cells. • Reduces the acne "p" bacteria. • Reduces inflammation and calms and soothes dry, irritated skin. • Protects against free radical damage. • Increases cellular turn-over and moisture retention.
DIRECTIONS	**Home Care-** Cleanse skin with Corrective Wash and gently wipe pad over the affected area on face or body one to times daily. Then apply hydrating and/or other therapeutic products prescribed by skin care specialist or physician. Best when used in the evening. Note: The pads can be used throughout the day to remove traces of dirt and oil. If over drying of the skin occurs, limit the pad use to once a day. **Professional Use-** It is often used between LIGHTWAVE treatment sessions. Please see LIGHTWAVE protocols.
POWER PURE™ INGREDIENTS	**2 % Salicylic Acid-** A lipid and oil soluble beta hydroxy acid that is an exceedingly efficient keratolytic agent that gently exfoliates by dissolving the top layer of the corneum cells while also clearing skin impactions and helping to reduce oil content. It is a natural anti-bacterial and antimicrobrial agent that has the unique ability to exfoliate inside the clogged pore as well as outside, making this an ideal acne fighting ingredient. **8 % Glycolic Acid–** An effective alpha hydroxyl acid (AHA), generally found in sugar cane, sugar beets and unripe grapes that improves hydration by enhancing moisture intake. It does this by reacting with the upper layer of the epidermis, dissolving the bonds that hold dead skin cells together allowing essential moisture to penetrate the skin. It also helps to increase cellular turnover, refine skin texture, and assist in skin lightening while also providing better penetration for other products due to its small molecular structure.
ACTIVE INGREDIENTS	**Chamomile Flower Extract-** Provides antioxidant, anti-inflammatory and antimicrobial properties. It is also non-comedogenic and hypoallergenic. **Hyaluronic Acid** – Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Glycosaminoglycans (GAG's)-** Complex and fundamental proteins that help bind water and other vital cellular elements to connective tissue within the skin forming a matrix that holds skin cells together. GAG's promotes wound healing, speed up cell regeneration, and has a keratolytic or skin-softening effect.
COMPLETE INGREDIENT LISTING	Purified Water, Ethoxydiglycol, Glycolic Acid, Salicylic Acid, Glycerin, Pentyene Glycol, Chamomilla Rectutita Flower Extract (Chamomile), Sodium Hyaluronate (Hyaluronic Acid), Glycosaminoglycans.
CAUTIONS	Avoid getting the product in the eyes when applying to the face and neck area.
AVAILABLE SIZES	**Retail:** 60 pads

SENSIBLE SUNSCREEN SHIELD SPF 30

pH	4.4
SKIN TYPES	Appropriate for all skin types.
DESCRIPTION	This chemical sunscreen protects the skin from UVA and UVB rays of the sun and prevents sun damage, while providing essential moisture retention. ABI's Shield provides 30 times your natural protection from the sun, blocking a very broad spectrum of UVA and UVB rays. Formulated with hyaluronic acid, this fragrance-free formulation also hydrates the skin while helping to prevent trans-epidermal water loss. It was created for all skin types, including sensitive, oily and post treatment.
BENEFITS	• Provides 30 times the skin's natural protection against a broad spectrum of both UVA and UVB rays and protects against photo damage and premature aging. • Blocks harmful ultraviolet radiation. • Hydrates and plumps the skin while preventing trans-epidermal water loss.
DIRECTIONS	**Home Care-** Apply frequently to face, neck (include ears), back of hands and any additional areas needing protection from the sun. This formula should be applied at least 15 minutes before sun exposure and is not water resistant. It should be re-applied after exposure to water or excessive sweating. Allow the product to absorb completely before applying make-up. **Professional Use-** Due to the non-irritating and fragrance free formula, it can be used immediately after post procedures. An ample amount should be applied at the end of any facial or procedure performed. It is often used for post LIGHTWAVE care. Please see LIGHTWAVE protocols.
ACTIVE INGREDIENTS	**7.5% Octinoxate -** Absorbs rays of various wavelengths, full spectrum sun screen. **6% Benzophenone-3 -** Provides UVA/UVB absorption protecting skin from sun damage. **5% Octisalate -** Increases UVB protections of sun blocking agents. **1% Avobenzone -** Broad spectrum UVA absorption. **Hyaluronic Acid** – Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance to help plump the skin and prevent trans-epidermal water loss. **Squalane-** Helps to improves skin elasticity and hydration. Excellent emollient which has antioxidant and immune stimulating properties. Squalane is non-comedogenic.
COMPLETE INGREDIENT LISTING	Purified Water, Caprylic/Capric Triglyceride, Corn Starch Modified, Cetearyl Olivate, Diethylhexyl 2,6-Naphthalate, C12-15 Alkyl Benzoate, Sorbitan Olivate, Gluconolactone, Squalane, Glycerin, Cyclopentasiloxane, Tocopheryl Acetate (D-alpha), Glycine Soja (Soybean) Oil, Hyaluronic Acid (L), Xanthan Gum, Carbomer, Aminomethyl Propanol, Sodium Benzoate, Phenethyl Alcohol, Caprylyl Glycol, Phenoxyethanol, Trisodium Ethylenediamine Disuccinate, Potassium Sorbate
CAUTIONS	Avoid getting the product in the eyes when applying to the skin. Reapply every 2 hours and after excessive sweating or exposure to water.
AVAILABLE SIZES	**Retail:** 3.2 oz. **Professional:** 16 oz.

SENSIBLE SUNSCREEN SHADE SPF 28

pH	7.2
SKIN TYPES	Appropriate for all skin types.
DESCRIPTION	ABI's Sensible Sunscreen Shade is designed to provide superior sun protection without causing congestion or irritating sensitive skin. This gentle, fragrance free formula physically blocks the sun's damaging rays and provides instant broad spectrum protection from both UVA and UVB exposure. This non-greasy, fast absorbing lotion is idea for oily and sensitive skin.
BENEFITS	• Physical Block provides 28 times Broad Spectrum UVA/UVB protection • Protects against photo damage and premature aging • Blocks harmful ultraviolet radiation. • Fragrance Free
DIRECTIONS	**Home Care-** Apply frequently to face, neck (include ears), back of hands and any additional areas needing protection from the sun. This formula should be applied at least 15 minutes before sun exposure and is not water resistant. It should be re-applied after exposure to water or excessive sweating. Allow the product to absorb completely before applying make-up. **Professional Use-** Due to the non-irritating and fragrance free formula, it can be used immediately after post procedures. An ample amount should be applied at the end of any facial or procedure performed. It is often used for post LIGHTWAVE care. Please see LIGHTWAVE protocols.
ACTIVE INGREDIENTS	**11.6% Zinc Oxide -** Absorbs rays of various wavelengths, full spectrum sun screen. **.67% Titanium Dioxide -** Provides UVA/UVB absorption protecting skin from sun damage. **Aloe Vera-** Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available for use in cosmetics. **Allantion-** An effective healing agent that helps to promote cellular renewal and it has a soothing and softening effect. **Squalane-** Helps to improves skin elasticity and hydration. Excellent emollient which has antioxidant and immune stimulating properties. Squalane is non-comedogenic.
COMPLETE INGREDIENT LISTING	Purified Water, Caprylic/Capric Triglyceride, Ceteryl Alcohol, Cetearyl Glucoside, Coco-Caprylate/Caprate, Polysorbate 60, Glycerin, Squalane, Polyglyceryl-6 Polyricinoleate, Isononyl Isononanoate, Magnesium Aluminum Silicate, Xanthan Gum, Glyceryl Isostearate, Polyhydroxystearic Acid, Alumina, Tocopheryl Acetate (D-alpha), Glycine Soja (Soybean) Oil, Organic Aloe Barbadensis Leaf Juice Powder, Simethicone, Fructooligosaccharides (D-Beta), Allantoin, Potassium Sorbate, Trisodium Ethylenediamine Disuccinate, Citric Acid, Populus Temuloides Bark Extract, Leuconostoc/Radish Root Ferment Filtrate, Dicaprylyl Ether, 1,2 Hexanediol, Caprylyl Glycol, Gluconolactone, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Tropolone
CAUTIONS	Avoid getting the product in the eyes when applying to the skin. Reapply every 2 hours and after excessive sweating or exposure to water.
AVAILABLE SIZES	**Retail:** 3.2 oz. **Professional:** 16 oz.

MICRO-EXFOLIATING SCRUB

pH	5.0
SKIN TYPES	Appropriate for all skin types including sensitive.
DESCRIPTION	This exfoliating scrub effectively removes dry, flaky and dead skin cells revealing new more youthful skin. This powerful scrub utilized aluminum oxide crystals to relieve tired, dull and fatigued skin. This product combines a unique blend of anti-aging ingredients that work synergistically to promote a smooth, healthy and glowing complexion.
BENEFITS	• Effectively removes dead skin cells. • Promotes cellular turnover. • Properly prepares the skin so that other products can absorb more effectively. • Increases moisture.
DIRECTIONS	**Home Care-** This product should be used after cleansing the skin and prior to applying any other skin care products so that the other skin care products can penetrate better. Apply small amount of the Micro Exfoliating Scrub to a clean dry face with hands or facial brush. Work the scrub in a circular motion. Massage approximately 2-3 times. Clean with a warm washcloth until all crystals are removed. Rinse thoroughly with cool water (if treating sensitive skin, use a small amount of water or cleanser to soften the crystals in the scrub prior to massaging the face.) Use twice a week or as needed. **Professional Use-** ABI's Micro Exfoliating Scrub is ideal for properly preparing the skin for a LIGHTWAVE treatment. Please see LIGHTWAVE protocols. It is effective for properly preparing the skin for several of our mask and peels by adequately removing the stratum corneum.
ACTIVE INGREDIENTS	**Aluminum Oxide Crystals-** A widely used physical exfolliant that effectively removes the stratum corneum. **Shea Butter-** Excellent moisturizer and healing agent that also maintains skin elasticity. Contains phytosterols, vitamin E as well as high levels of non-sapifiables which help to stimulate fibroblast activity. It is also extremely beneficial for dry and damaged skin. **Ascorbyl Palmitate-** Non-acidic, stable Vitamin C, but without the irritation of L-ascorbic acid. Significantly reduces erythema or redness. **Soy-** A potent antioxidant and anti-inflammatory agent that is rich in vitamin E and helps to improve skin clarity and promote collagen synthesis. **Chamomile Flower Extract-** Provides antioxidant, anti-inflammatory and antimicrobial properties. It is also non-comedogenic and hypoallergenic. **Tocopherol (Vitamin E)-** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun.
COMPLETE INGREDIENT LISTING	Purified Water, Organic Coco Nucifera (Coconut) Oil, Aluminum Oxide (corundum crystal), Emulsifying Wax, Vegetable Stearic Acid, Cetyl Alcohol, Organic Glycine Soja (Soybean) Oil, Calendula Officinalis Flower, Organic Matricaria Recutita (Chamomile) Flowers, Organic Butyrospermum Parkii (Shea Butter) Fruit, Phenoxyethanol, Caprylyl Glycol, Potassium Sorbate, Tocopherol (Vitamin E), Citrus Aurantifolia (Lime) Fruit Extract, Citrus Tangerina Oil, Citrus Aurantifolia (Lime) Fruit Oil, Sodium Bicarbonate, Ascorbyl Palmitate (Vitamin C), Citric Acid.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	**Retail:** 1.7 oz. **Professional:** 8 oz.

CORRECTIVE SCRUB

pH	8.0
SKIN TYPES	Appropriate for all skin types including sensitive and acne prone.
DESCRIPTION	This therapeutic scrub buffs away dead skin cells with the power of crushed bamboo, while potent salicylic beads alleviate congestion within the skin. This effective yet gentle scrub utilizes a unique combination of aggressive and healing ingredients to help combat the appearance of acne lesions, aid in the smoothing of acne scarring and even skin tone for a bright and clear complexion.
BENEFITS	• Remove excess sebum and dead skin cells. • Reduces the acne "P" bacteria. • Reduces inflammation and calms and soothes dry, irritated skin. • Increases cellular turn-over and moisture retention.
DIRECTIONS	**Home Care-** Apply small amount of the Corrective Scrub to a clean dry face with hands or facial brush. Work the scrub in a circular motion. Clean with a warm washcloth until all scrub is removed. Rinse thoroughly with cool water (if treating sensitive skin, use a small amount of water or cleanser to soften the crystals in the scrub prior to massaging the face). **Professional Use-** Follow homecare instructions to use during an acne facial. ABI's Corrective Scrub is great for properly preparing the skin for a RED/BLUE LIGHTWAVE treatment. Please see LIGHTWAVE protocols for additional instructions. It is also effective for properly preparing the skin for several of our mask and peels by adequately removing the stratum corneum.
POWER PURE™ INGREDIENTS	**Exchanger (Montmorillonite) –** An ultra fine emulsion of Green Clay that penetrates the inner layers of the skin to effectively deliver naturally balanced minerals and trace minerals including copper, zinc, titanium, calcium and magnesium. The Exchanger helps to prevent water loss and is used to decrease sebum production while maintaining skin hydration.
ACTIVE INGREDIENTS	**Salicylic Beads-** A beta hydroxy acid that is uniquely formulated in small dissolvable beads that gently exfoliates dead skin cells by dissolving the top layer of the corneum cells. **Allantion-** An effective healing agent that helps to promote cellular renewal and it has a soothing and softening effect. **Bamboo Stem Extract-** Natural exfoliant. **Niacinamide (B3) –** A water soluble vitamin that is proven to be stable in the presence of light and heat. It is an antioxidant and anti-inflammatory agent that helps to reduce the acne "P" bacteria. Studies have shown that Niacinamide stimulates microcirculation in the dermis, increases ceremide and fatty acid levels in the skin, reduces water loss and increases hydration. **Tocopherol (Vitamin E)-** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun. **Niaouli Oil-** Is a non-toxic, non-irritating, essential oil that is an excellent acne fighting ingredient due to its astounding antibacterial and antiseptic attributes.
COMPLETE INGREDIENT LISTING	Purified Water, Glycerin, Bambusa Arundinacea (Bamboo) Stem Extract, Caprylic/Capric Triglyceride, Behenyl Alcohol, Xanthan Gum, Butylene Glycol, Montmorillonite, Albumen, Dicaprylyl Ether, 0.5% Salicylic Acid, Niacinamide, Mannitol, Melaleuca Viridiflora (Niaouli) Oil, Tocopheryl Acetate (D-alpha), Glycine Soja (Soybean) Oil, Kaolin, Allantoin, Stearic Acid, Passiflora Laurifolia (Passionflower) Flower Extract, Titanium Dioxide, Potassium Sorbate, Gluconolactone, Sodium Benzoate, Carbomer, Microcrystalline Cellulose, Sucrose Stearate, Cetyl Alcohol, Glycol Distearate, Dimethicone, Trisodium Ethylenediamine Disuccinate, Caprylyl Glycol, Phenoxyethanol, Sodium Cocoyl Glutamate, Hydroxypropyl Methylcellulose, Iron Oxides.
CAUTIONS	Avoid getting the product in eyes or open sores and wounds.
AVAILABLE SIZES	**Retail:** 2 oz. **Professional:** 4 oz.

CORRECTIVE CLAY MASK

pH	7.5
SKIN TYPES	Appropriate for all skin types including sensitive.
DESCRIPTION	This detoxifying and anti-bacterial mask is designed to help relieve acne break outs. It significantly reduces skin inflammation and irritation caused by acne lesions. This repairing mask utilizes the powerful anti-bacterial and anti-inflammatory benefits of sulfur while providing vital healing components to acne prone skin.
BENEFITS	• Reduces the acne "p" bacteria. • Reduces pore size. • Reduces oil production while maintaining hydration. • Detoxifies congested skin and draws out impurities. • Reduces inflammation and calms and soothes dry, irritated skin..
DIRECTIONS	**Home Care-** Apply an even layer of Corrective Clay Mask to entire face or only affected area. Allow to absorb for 5-10 minutes depending on your skin sensitivity. Cleanse with Corrective Wash and apply therapeutic products. **Professional Use-** For complete professional directions and recommended use, please refer to masks and peels protocols. It is often used for post LIGHTWAVE care. Please see LIGHTWAVE protocols.
POWER PURE™ INGREDIENTS	**Exchanger (Montmorillonite) –** An ultra fine emulsion of Green Clay that penetrates the inner layers of the skin to effectively deliver naturally balanced minerals and trace minerals including copper, zinc, titanium, calcium and magnesium. The Exchanger helps to reduce pore size and prevent water loss and is used to decrease sebum production while maintaining skin hydration and moisture.
ACTIVE INGREDIENTS	**Sulfur-** Extremely effective anti-bacterial agent that contains vitamin B1 as well as essential amino acids that also promotes keratolytic actions. This incredible detoxifying ingredient is ideal for treating acne breakouts. **Bentonite-** Is a natural absorbent mineral clay that has been used for centuries for its drawing and detoxifying properties. **Chamomile Extract-** Provides antioxidant, anti-inflammatory and antimicrobial properties. It is also non-comedogenic and hypoallergenic. **Kaolin-** Is a very mild natural mineral clay that gently extracts dirt, and impurities from within the pores while absorbing excess sebum and oil produced from overactive sebaceous glands. It also provides tightening and drawing effects that help to stimulate circulation thereby reducing skin inflammation. **Honeysuckle Extract-** Soothes, softens and smoothes the skin. Anti-bacterial, anti-inflammatory and also cleanses and purifies.
COMPLETE INGREDIENT LISTING	Purified Water, Glycerin, Bentonite, Sulfur, Kaolin, Montmorillonite, Alcohol Denat., Titanium Dioxide, Lavandula Angustifolia (Lavender) Oil, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Calendula Officinalis Flower Extract, Anthemis Nobilis (Chamomile) Flower Extract, Phytic Acid, Stearic Acid, Potassium Sorbate, Citric Acid, Glyceryl Stearate, Cocamidopropyl Hydroxysultaine
CAUTIONS	Avoid getting the product in eyes or open sores and wounds.
AVAILABLE SIZES	**Retail:** 2 oz. **Professional:** 4 oz.
