HONEYSUCKLE HYDRATING MASK

pH	6.0
SKIN TYPES	Appropriate for all skin types including sensitive.
DESCRIPTION	This soothing gel is designed to help refresh, hydrate and balance the skin. Honeysuckle, ginseng and aloe help breathe new life into dry, dehydrated and over-stressed skin.
BENEFITS	• Increases skin hydration and moisture retention. • Protects against free radical damage. • Reduces inflammation. • Improves skin elasticity.
DIRECTIONS	**Home Care-** Cleanse the skin with ABI's Exfoliating Enzyme Wash. Then use ABI's micro exfoliating scrub to remove dead skin cells and properly prepare the skin for this mask. Apply a thin layer to clean damp skin. Allow the mask to penetrate for 10-15 minutes. Rinse thoroughly with lukewarm water and follow with additional ABI home care products. Use once to twice a week or as needed. Recommended for all skin types including sensitive. **Professional Use-** This soothing product is often used for post LIGHTWAVE care. After performing any aggressive procedure such as laser, microdermabrasion or a chemical peel; it is ideal to then follow up with a LIGHTWAVE treatment in order to reduce any skin redness, irritation and to also encourage the start of the healing process. After the LIGHTWAVE session, apply a liberal amount of this hydrating mask to face and neck and allow to absorb for 10-15 minutes. Rinse thoroughly with luke-warm water and follow with additional ABI therapeutic products.
ACTIVE INGREDIENTS	**Honeysuckle Extract-** Soothes, softens and smoothes the skin. Anti-bacterial, anti-inflammatory and also cleanses and purifies. **Aloe Vera-** Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available. It is extremely soothing and protective. It is also a natural astringent. **Ginseng Root Extract-** Powerful anti-inflammatory and antioxidant properties. Stimulates collagen production. **Witch Hazel-** Effective astringent that is also soothing and healing. It is also known to help reduce oil and dry out acne breakouts. **Peppermint Leaf Extract-** Is an antimicrobial and antibacterial agent that provides a cooling and soothing effect on the skin.
