POLISHING PUMPKIN MICRO PEEL

SKIN TYPES

Appropriate for normal to oily skin, including mature.

DESCRIPTION

This Polishing Pumpkin Micro Peel provides all the benefits of a light peel without any dryness or downtime. This antioxidant-rich micro peel is perfect for dull, congested and oily skin. The power of pumpkin combined with glycolic acid make it ideal for reducing surface build-up, decongesting clogged pores and stimulating collagen production resulting in radiant, healthy stimulating healthy cell growth and reducing age spots.

BENEFITS

- Increases cell turnover to improve tone and texture.
- Stimulates collagen production.
- Gently and effectively remove impurities, excess oil and dead skin.
- Helps reduce the appearance of blemishes.
- Reduces inflammation, reduces the appearance of pores size.

DIRECTIONS

Professional Use- Using the Mask Brush or finger tips, apply an even layer of Polishing Pumpkin Micro Peel to cleansed skin, avoiding eye area or open cuts. This micro-peel can be used with our without steam. Steam will intensify the activity of the peel. The client generally feels slight tingling and mild warmth from the activity of the enzymes and glycolic acid. Leave on for up to 15 minutes and then thoroughly rinse with luke warm water. The peel is self-neutralizing and will cause temporary mild erythema. Do not use on the same client more than once a week. Do not get in eyes; discontinue use and rinse immediately if irritation or burning occurs.

POWER PURETM INGREDIENTS

Pumpkin and Pumpkin Seed Extract- Antioxidant-rich natural enzyme that softens the skin, is rich in vitamins, dissolves dry skin, lightens and brightens, reduces inflammation, controls excess oil, and prevents skin congestion.

Multifruit® BSC- concentrated blend of five botanical extracts: bilberry, sugar cane, sugar maple, orange, and lemon. The extracts contain alpha hydroxy acids in the following ranges: Lactic::28-32%, Glycolic:12-17%, Citric:2-6%, Malic and Tartaric: 1%. AHA's promote smoother, younger looking skin by increasing the rate of cell turnover.

ACTIVE INGREDIENTS

Tocopherol (D-alpha) - Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun.

Glycolic Acid— An effective alpha hydroxyl acid (ANA), that improves hydration by enhancing moisture intake. It reacts with the upper layer of the epidermis, dissolving the bonds that hold dead skin cells together allowing essential moisture to penetrate the skin. It also helps to increase cellular turnover, refine skin texture, and assist in skin lightening.

Vitamin C-stimulates collagen synthesis and improve skin tone and texture, reduce brown spots, and decrease the appearance of fine lines and wrinkles.
