AMINOTOX™ MIRACLE CRÉME

pH	
SKIN TYPES	Appropriate for all skin types.
DESCRIPTION	AminoTox™ Miracle Crème offers a rich professional grade cream that delivers powerful skin renewal. It features tridecapeptide-1, also known as BGT TDP-1, which produces a Botox-like effect by relaxing expression lines without neurotoxins. It blends a full spectrum of 13 essential amino acids that support collagen production, improve skin elasticity and enhance barrier repair. AminoTox™ is ideal for reducing visible fine lines, smoothing radiant skin and long-term structural improvement in both clinic treatments and in home care use.
BENEFITS	• Smooths fine lines and expression wrinkles. • Enhances skin firmness and elasticity. • Deeply hydrates and supports skin barrier function. • Evens skin tone and reduces pigmentation. • Promotes skin repair and regeneration.
DIRECTIONS	**Home Care-** After cleansing, apply a small amount of cream to the face and neck, morning and night. Gently massage until fully absorbed. **Professional Use-** Apply after facial treatments (cleansing, exfoliation, or procedures such as microdermabrasion) to support tissue repair and lock in moisture. May be followed with SPF if needed.
POWER PURE™ INGREDIENTS	**Tridecapeptide-1-** A potent peptide messenger that promotes skin repair, enhances elasticity, and smooths fine lines by stimulating collagen production. **Sepitonic®M3-** This multi-mineral chrono-energizing agent is made up of Magnesium, Zinc and Copper. These elements help to maintain skin function and stimulate cellular regeneration while enhancing and brightening skin tone and restoring skin vitality. • Magnesium- encourages protein synthesis and phosphates transfer. • Copper- encourages synthesis of ATP, keratin and collagen. • Zinc- helps combat aging by stimulating reversal of the collagen matrix. **Niacinamide (B3) –** A water soluble vitamin that is proven to be stable in the presence of light and heat. It is an anti-inflammatory agent that helps to reduce the acne "P" bacteria.
ACTIVE INGREDIENTS	**Sodium Hyaluronate (Medical Grade Hyaluronic Acid)** – Increases moisture retention, provides a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. **Aloe Vera-** Aids in calming and soothing dry and irritated skin. **Alpha-Arbutin-** is a safe and effective skin brightener. It blocks epidermal melanin biosynthesis by inhibiting enzymatic oxidation of Tyrosine and Dopa. **Glycine & Proline-** Amino acids that help support collagen production, improve hydration and support skin repair. **Squalane & Shea Butter-**Rich emollient that locks in moisture and improves barrier function. **Bearberry & Daisy Leaf Extracts-** is a powerful tyrosinase inhibitor also known for its antibacterial, antioxidant, and anti-inflammatory properties. **Hydrolyzed Rice & Pea Proteins-**Supports skin barrier function by strengthening the skin, reducing inflammation, enhances hydration and boosting elasticity
COMPLETE INGREDIENT LISTING	Purified Water, Aloe Barbadensis Leaf Juice, Glycerin, Niacinamide, Propanediol, Caprylic/Capric Triglyceride, Squalane, Butyrospermum Parkii (Shea) Butter, Cetearyl Olivate, Sorbitan Olivate, Glyceryl Stearate Citrate, Cetearyl Alcohol, Tridecapeptide-1, Sodium Hyaluronate, Hydrolyzed Sodium Hyaluronate, Alpha-Arbutin, Glycine, Proline, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate, Pentylene Glycol, Caprylyl Glycol, Ethylhexylglycerin, Xanthan Gum, Citric Acid, Sodium Hydroxide, Hydrolyzed Rice Protein, Hydrolyzed Pea Protein, Panthenol, Arctostaphylos Uva Ursi Leaf Extract, Bellis Perennis (Daisy) Flower Extract.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	**Retail 1.7 oz.**
