MICRO-EXFOLIATING SCRUB

pH	5.0
SKIN TYPES	Appropriate for all skin types including sensitive.
DESCRIPTION	This exfoliating scrub effectively removes dry, flaky and dead skin cells revealing new more youthful skin. This powerful scrub utilized aluminum oxide crystals to relieve tired, dull and fatigued skin. This product combines a unique blend of anti-aging ingredients that work synergistically to promote a smooth, healthy and glowing complexion.
BENEFITS	• Effectively removes dead skin cells. • Promotes cellular turnover. • Properly prepares the skin so that other products can absorb more effectively. • Increases moisture.
DIRECTIONS	**Home Care-** This product should be used after cleansing the skin and prior to applying any other skin care products so that the other skin care products can penetrate better. Apply small amount of the Micro Exfoliating Scrub to a clean dry face with hands or facial brush. Work the scrub in a circular motion. Massage approximately 2-3 times. Clean with a warm washcloth until all crystals are removed. Rinse thoroughly with cool water (if treating sensitive skin, use a small amount of water or cleanser to soften the crystals in the scrub prior to massaging the face.) Use twice a week or as needed. **Professional Use-** ABI's Micro Exfoliating Scrub is ideal for properly preparing the skin for a LIGHTWAVE treatment. Please see LIGHTWAVE protocols. It is effective for properly preparing the skin for several of our mask and peels by adequately removing the stratum corneum.
ACTIVE INGREDIENTS	**Aluminum Oxide Crystals-** A widely used physical exfolliant that effectively removes the stratum corneum. **Shea Butter-** Excellent moisturizer and healing agent that also maintains skin elasticity. Contains phytosterols, vitamin E as well as high levels of non-sapifiables which help to stimulate fibroblast activity. It is also extremely beneficial for dry and damaged skin. **Ascorbyl Palmitate-** Non-acidic, stable Vitamin C, but without the irritation of L-ascorbic acid. Significantly reduces erythema or redness. **Soy-** A potent antioxidant and anti-inflammatory agent that is rich in vitamin E and helps to improve skin clarity and promote collagen synthesis. **Chamomile Flower Extract-** Provides antioxidant, anti-inflammatory and antimicrobial properties. It is also non-comedogenic and hypoallergenic. **Tocopherol (Vitamin E)-** Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun.
COMPLETE INGREDIENT LISTING	Purified Water, Organic Coco Nucifera (Coconut) Oil, Aluminum Oxide (corundum crystal), Emulsifying Wax, Vegetable Stearic Acid, Cetyl Alcohol, Organic Glycine Soja (Soybean) Oil, Calendula Officinalis Flower, Organic Matricaria Recutita (Chamomile) Flowers, Organic Butyrospermum Parkii (Shea Butter) Fruit, Phenoxyethanol, Caprylyl Glycol, Potassium Sorbate, Tocopherol (Vitamin E), Citrus Aurantifolia (Lime) Fruit Extract, Citrus Tangerina Oil, Citrus Aurantifolia (Lime) Fruit Oil, Sodium Bicarbonate, Ascorbyl Palmitate (Vitamin C), Citric Acid.
CAUTIONS	Avoid getting the product in the eyes.
